

The Yun Family's Ninth Child is an Imp! Chapter 449

Yun Chujiu hopped back to Geng Yi and the others. She took out a small section of the beehive and handed it to Ding Lang. "Senior martial brother Ding, cure senior martial brother Feng Ming and senior martial sister Zhuo!"

Ding Lang never expected that Yun Chujiu would really get the honey and stay unharmed. He was very disappointed but he was even more jealous. He didn't expect that the grade of the defensive spiritual artifact on this stinky girl was so high! Moreover, that unremarkable-looking stick could actually grow longer! How detestable!

Ding Lang barely suppressed the resentment in his heart. He smeared the honey on the wounds of Feng Ming and Yun Chujiu and then turned the honey into water for the two of them to drink. Their expressions gradually returned to normal. This poison was almost completely cleansed!

The few of them did not dare to delay any longer and quickly left the Eupatorium Valley.

When they arrived outside the Eupatorium valley, everyone heaved a sigh of relief. This crisis has finally been overcome!

Feng Ming and Zhuo Piaoyu also woke up. Geng Yi immediately said, "You have to thank Junior Sister Jiu. If it weren't for her, you would have been finished."

Feng Ming said proudly, "How is it? It's all thanks to me bringing junior sister Jiu here, right? Junior sister Jiu always miraculously saves the day."

Zhuo Piaoyu saw Feng Ming praising Yun Chujiu non-stop and was so angry that her eyes burned with anger. This time, it was really a case of trying to steal a chicken, only to end up losing the rice instead. Not only did she not harm Yun Chujiu, but she was also stung for nothing!

The most hateful thing was that from now on, she had to admit that Yun Chujiu was her savior! This Yun Chujiu was a narcissist. If she admitted that she was her savior, she might never hear the end of it! No, she had to find an excuse!

Zhuo Piaoyu thought for a while and came up with an idea. "This is all my fault. If I hadn't been in a hurry to save junior sister Little Jiu, she wouldn't have been stung. If senior brother Feng Ming hadn't taken care of me, he wouldn't have been stung by the egg-protecting bees too."

Yun Chujiu was licking a beehive when she heard Zhuo Piaoyu's words, she couldn't help but sneer, "Senior sister Zhuo, you better watch your words from now on! Don't mislead others intentionally or unintentionally! It's fine if you don't admit that I'm your savior, but your injuries have nothing to do with me!"

"I think some people got stung on purpose just to fall into senior brother Feng Ming's arms. Unfortunately, while falling flowers are intentional, the flowing water is merciless. Some people got stung for nothing!"

Zhuo Piaoyu was robbed of her innocence by Yun Chujiu. This time, she really fainted from anger!

Geng Yi and Shi Xuan looked at Zhuo Piaoyu who had fainted and reassessed their impression of Little Jiu in their hearts. Naive and romantic? We were wrong! This girl was a fiend! And a fierce fiend at that!! When they thought back to how the queen bee was beaten, it was too brutal, wasn't it?!

Both of them could tell that Zhuo Piaoyu was interested in Feng Ming, but Feng Ming was oblivious in that aspect. What the little girl said might actually be true. Junior sister Zhuo wanted Feng Ming to be a hero to save the damsel in distress, but she didn't expect that she would end up losing out instead.

Feng Ming recovered very quickly. On the way back, Yun Chujiu occasionally made Geng Yi and the others laugh loudly.

Ding Lang looked at the four people who were chatting and laughing, and a trace of malice flashed in his eyes. These four people were highly favored in the sect, so why?! He, Ding Lang, was also a successor disciple, but why was he not as highly valued?! Elder Qi, that old man, did not teach him any real skills at all! Sooner or later, he would take revenge, and all those who looked down on him would die!

Just as everyone arrived at the entrance of the Linghua sect, a disciple said to Yun Chujiu, "Junior sister Xiao Jiu, you came back just in time. Someone came to look for you just now. He said it was your brother!"

Yun Chujiu was stunned. Her brother? Could it be that her brother came? Did something happen to the Yun Family? It shouldn't be. A few days ago, her grandfather had sent a letter saying that everything was fine!

Yun Chujiu anxiously asked the disciple guarding the door, "Where is he? Oh right, did he say what his name is?"

Yun Chujiu thought to herself, could it be that good-for-nothing Yun Chuer? That's not right. If it was him, he should be looking for Yun Chushan. Why would he be looking for her?

"Junior sister Jiu, he said his name is Yun Chuling! He's really, really handsome! I think he went into the forest over there!"

Yun Chuling? Damn it!! Which Idiot was teasing her?! When did Yun Chuling appear in the Yun family again?!
