

## The Yun Family's Ninth Child is an Imp! Chapter 453

"But Brother, this is too slow! Who knows when it will erupt! Moreover, the four great sect's competition will be held in a few days. What if Yun Chujiu's lackeys have great luck and gets good results? Everyone's dissatisfaction will be gone!" Bai Morou wished that she could kill Yun Chujiu immediately.

Bai Moyu sneered, "The four great sect's competition is different from the last mystic realm trial. She won't always have such good luck. Moreover, perhaps someone will kill Yun Chujiu for us without us taking action!"

"Who?" Bai Morou's eyes lit up.

"Zhuo Piaoyu!"

Bai Morou was discouraged. "Brother, don't joke!" Although Zhuo Piaoyu had a dispute with Yun Chujiu a few days ago, I heard that Yun Chujiu saved Zhuo Piaoyu in Eupatorium Valley! Zhuo Piaoyu has a weak personality and is kind. How could she kill Yun Chujiu?!"

"Weak personality? Kind? Morou, you're too gullible to believe what you see on the surface! No matter how good a person is, he will have flaws. When everyone says that someone is good, he must be faking it! Zhuo Piaoyu is such a person!"

Bai Moyu saw that Bai Morou still did not believe him, so he continued speaking. "Even if Zhuo Piaoyu won't make a move, there's still one person who will definitely make a move!"

Bai Morou's spirit was roused. "Who else?"

"I brought back a few Fire Edelweiss from the fire cave. A few days ago, when Ding Lang and I were chatting, I pretended to accidentally slip up. He used a bottle of spirit gathering pills to exchange for those few Fire Edelweiss.

“As far as I know, the Fire Edelweiss has no other uses other than making poisonous pills that can cause sudden death! I heard from him that he was very dissatisfied with Yun Chujiu being valued by Elder Qi. Why do you think he wanted the Fire Edelweiss?”

Bai Morou said happily, “Needless to say, he definitely wants to kill Yun Chujiu! Hahaha! That’s great! However, Big Brother, if the truth were to be exposed, would it implicate you?”

“No one saw me pluck the Fire Edelweiss back then. Besides, although Fire Edelweiss isn’t very common in the world, it can still be bought. They might not ask about the source. If Ding Lang drags me into this, I’ll say that I thought Ding Lang would use it to study pharmacology. No one can do anything to me!” Bai Moyu had already thought of a way out. “Whether Yun Chujiu dies or not, it has nothing to do with me.”

“Brother, you’re too smart! I hope that Ding Lang can do his best and poison Yun Chujiu to death! This way, I can get close to Young Master Yun...”

Bai Moyu’s expression changed. “Morou, anyone in the Spirit Radiance Sect can do, but don’t get close to that Yun Chuling!”

Bai Morou was stunned. “Why not, Brother? Is it because he’s a member of the Yun family? I’ve asked Yun Chushan. He’s not a member of the Yun family at all!”

“Whether he’s a member of the Yun family or not, he’s not someone you can afford to provoke! Didn’t you notice that the elders in the sect were a little afraid of him? Back then, the four great sects had wanted to capture this person, but they did not manage to capture him. He’s definitely not as simple as he looks!” This sister of his was really stupid, if she was not his biological sister, he would strangle her to death. She never gets anything right, and in fact, ruins everything!

Bai Moyu stared coldly at Bai Morou. She could only nod her head, but she did not think much of it. It was not as scary as it sounded. She saw that Young Master Yun was always smiling. Even though he had

thrown a female disciple, that was because she had overestimated herself and called him Senior Brother Wuji. She deserved it!

Xue Wuji, who was being targeted by Bai Morou, was in Yun Chujiu's courtyard. Yes, he was fighting the landlord!

"Huahua, are you a pig? Why didn't you use the good cards? Now, this smelly... Little Jiu has won again!"

Shadow agent Huahua shrunk his neck. He was on the verge of breaking down. 'I said I didn't want to play, but you insisted on letting me play. If I lost, it would be my fault. You played more badly than anyone else, and you still have the nerve to scold me?!'

After losing tens of thousands of Spirit Stones, Xue Wuji snorted coldly. "Huahua, this game sucks. Next time when Di Beiming comes, the three of us will play!"

Shadow agent Huahua thought to himself, 'Young Master, I've won. Yun Chujiu has also won. You're the only one who lost, and you actually have the nerve to shift the blame on me?! Why are you still waiting for Di Beiming to come and play with you? Won't he and Yun Chujiu gang up on you until you're dead?! Why don't you learn your lesson?!'
