

The Yun Family's Ninth Child is an Imp! Chapter 454

"Little Sister Jiu, let's chat!" Xue Wuji's eyes flickered. He did not believe that he could not get any useful information out of her.

"Okay! Brother Wuji, what should we talk about?" Yun Chujiu was in a good mood after winning the Spirit Stones.

"Little Sister Jiu, how did you get to know Di Beiming, that expressionless guy? That guy is famous for being very fussy. Why is it that he gets along well with you? Little Sister Jiu, please satisfy my curiosity!" Xue Wuji pretended to be gossipy and asked.

Yun Chujiu blinked her eyes. "Actually, it's a long story! I was tricked by that Bai Moyu to go into the Demonic Beast Forest..."

"Wait! Little Sister Jiu, are you kidding me? How could someone lie to you? How's that possible?!" Xue Wuji's face was full of disbelief.

"Sigh! who hasn't met a few scumbags when they were young? I was also muddle-headed back then..."

Xue Wuji almost spat out the tea in his mouth!

'Young? Back then?'

'Come on, you're only twelve now, alright?!'

Yun Chujiu glared. "Are you listening or not?"

“Yes! Yes! I’m listening! Little Sister Jiu, please continue.” Xue Wuji put down the teacup and decided not to drink for the time being. This smelly girl often said shocking things, so he did not want to choke himself.

“I was afraid that I would be tricked by that Bai scumbag into the Demonic Beast Forest. After that scumbag took the spirit gathering pills that I stole from my grandfather, he kicked me to the ground. My head hit a rock and I fainted! That Bai scumbag did not care about me at all. He just left! The story after that was very simple. After the Prince Charming discovered me, he saved me. Then, we fell in love at first sight. He likes me, and I like him. It’s that simple!” Yun Chujiu sneered in her heart, ‘You black chicken airhead, you still want to trick me? Dream on!’

Xue Wuji frowned. He remembered the first time he saw Yun Chujiu’s appearance. She looked so shabby. How could Di Beiming fall in love with her at first sight? The stupid girl definitely did not tell the truth! He came up with a roundabout tactic and asked her about something else.

“Little Sister Jiu, I heard that you were adopted by the Yun family? Haven’t you thought about finding your biological parents?” Xue Wuji decided to start with family ties.

“Sigh! I don’t even know if my adoptive parents are alive or otherwise, let alone my biological parents! I’ve never had the love of a parent since I was young. Perhaps I’m just an unfortunate person who doesn’t have the fate of having parents!” Yun Chujiu revealed a desolate expression—it was not an act. In modern times, she was also an orphan abandoned by her parents.

Xue Wuji was delighted. This stinky girl had revealed her true feelings. He had to work harder!

“Little Sister Jiu, don’t be too sad! I’ll help you look for clues! Besides, even if you don’t have the fate of having parents. You still have me! I’ll take good care of you!” Xue Wuji said affectionately.

“Thank you, Brother Wuji! Brother Wuji, last time you said your mother also passed away? How old were you when she passed away?”

Xue Wuji's expression froze, and his tone became low. "My mother passed away when I was five years old."

"Brother Wuji, actually, I can understand you the most! People like us seem to be laughing every day, but in fact, only we know the bitterness in our hearts! Especially when we see other people have mothers, it's especially sad! And when it's your birthday, the first person you think of is your mother..."

Xue Wuji's nose was a little sore. He stood up abruptly and said, "I'll head back first!"

Yun Chujiu looked at Xue Wuji's flustered back and thought to herself, 'It seems that this Xue Wuji isn't as bad as he seems to be. He still possesses some truth in him.'

Shadow agent Huahua looked at his young master's red eyes and sighed in his heart. 'Young Master, you still want to trick the little girl? I think it's already good enough that you're not tricked!'
