

The Yun Family's Ninth Child is an Imp! Chapter 461

The Linghua faction had been disturbed by Yun Chujiu early in the morning!

Although Di Beiming's spiritual power was much higher than Yun Chujiu's, he could not handle the unfamiliar terrain. Yun Chujiu had chosen some remote places to run, and additionally, some female disciples who adored Di Beiming had dared to stop Di Beiming without fear of death. Although she had been thrown out by Di Beiming, Yun Chujiu had successfully slipped into the meeting hall!

In the meeting hall, Master Xuanyuan was discussing the matter of the Earth Fire with the other elders. Each faction had already expressed their intention to purchase the Earth Fire. The next step was how to distribute it.

"Help! Master Xuanyuan, Help! My Prince Charming is going to kill me!" Yun Chujiu rushed in with her disheveled hair!

Everyone was dumbfounded. Didn't they show off their love and affection a few days ago?! Why were they shouting about killing each other now?!

Before everyone could ask what was going on, Di Beiming barged in with a murderous aura!

"Black Thing! Come back with me immediately! Otherwise, I won't let you off!"

Yun Chujiu hid behind Master Xuanyuan, she revealed her small head, "Who are you lying to? ! If I go back with you now, you won't let me off either! Everyone, please be reasonable. Didn't I just have a few drinks with the red-robed pervert? He wants to teach me a lesson. Is there anyone as unreasonable as him?"

Di Beiming was about to explode from anger. One should never reveal one's dirty laundry. Did you know that?! He was also mad. He actually chased her here. Forget it, he didn't believe that he wouldn't be able to catch her!

When Di Beiming thought of this, he took a deep breath and cupped his hands at everyone, "I'm sorry, I was really angered by her. Please forgive my rudeness. I'll take my leave."

Elder Qu stopped Di Beiming with a smile. "Young master Di, please wait. It's good that you've said it out loud." Little Jiu had a temperamental personality, but her nature was good. Yun Chuling, ah, that red-robed pervert and Little Jiu are just playmates. Young Master Di, you're overthinking it."

When the crowd saw this, they tried to persuade him as well. In their hearts, they were extremely sympathetic towards Di Beiming. To fall in love with such a pervert, how strong was his mental endurance! TSK TSK, this young master Di was so angry that he was going crazy!

"Yes, Young Master Di, Little Jiu was scared out of her wits by you. If she didn't care about you, why would she explain herself to you?"

"That's right, Little Jiu isn't the type of person to be fickle. Moreover, that Yun Chuling is very stingy. Little Jiu definitely wouldn't look up to such a person!"

"Little Jiu, come over here and apologize to young master Di. This matter will be over!" Elder Qu waved at Yun Chujiu.

Yun Chujiu blinked her eyes and said aggrievedly, "I'm afraid that he will hit me! If he hits me, you have to stop him!"

"Don't talk nonsense. Why would young master Di hit you?! Come and apologize!" Elder Qu glared at her.

Yun Chujiu walked over in small steps and then bared her teeth at Di Beiming, "Prince Charming, I was wrong. I promise that I will never drink with the Black Chicken's head again! I promise that I will not sell paintings of Black Chicken's head!"

Elder Qu and the rest were stunned!

What was that?

The 'head' of a black chicken... was drawn?

Everyone wanted to give Di Beiming two slaps on her face! This lady was asking for a beating!! Why did you draw something like that... If you had nothing to do?! And it was the head of a black chicken?!

Yun Chujiu added with a smile, "I will only draw you! And I will not sell it on the streets!"

Boom! The old men's faces flushed red. Elder Qu gritted his teeth and pushed Yun Chujiu into Di Beiming's arms, "Young Master Di, you can take care of this fellow as you please. We'll pretend that we didn't see it!"
