

## The Yun Family's Ninth Child is an Imp! Chapter 462

Di Beiming immediately imprisoned Yun Chujiu and nodded to the crowd. "Sorry to disturb you, Goodbye!"

Yun Chujiu shouted at the crowd, "Traitors! You traitors who betrayed your masters and ancestors! This little ancestor will not forgive you!"

The crowd felt no shame at all. They should teach this kind of evil person a lesson!

Di Beiming carried Yun Chujiu back to the courtyard. Yun Chujiu's intestines had turned green with regret along the way. Why was her mouth always spewing nonsense today?! It must be the sequelae from drinking too much yesterday! Drinking would ruin things? Now, the most important thing was how to appease this pretty boy! He was really angry this time. It was all because of that Black Chicken's head!

"Are you not angry anymore? The reason I wanted to run away was that I was afraid that you would be mad. After running for so long, Don't you feel a little better?"

"Why don't you give me a beating? But, you definitely can't bear to do that, right? If you hit me, you'll feel hurt too, so it's better not to hit me! You can scold me as much as you want! I'll definitely listen to you honestly!"

"My Prince Charming, why don't I write an apology letter for you? I will realize my mistake deeply and I promise to never do it again!"

...

Di Beiming was full of anger. This torment had indeed lessened a lot. He couldn't bear to beat her up or scold her. He couldn't come up with any tricks, so he placed Yun Chujiu in front of the desk and said, "An apology letter! Write It!"

“Prince Charming, I’m still imprisoned by you. I can’t write one like this!” Yun Chujiu said pitifully.

Di Beiming snorted coldly and released Yun Chujiu’s confinement. Yun Chujiu moved her limbs and took out a brush, ink, paper, and inkstone. Soon, an apology letter was completed!

“Prince Charming, here, a fresh apology letter. Please have a look!”

Di Beiming was overjoyed when he saw the first line of words! After the big three words of the apology letter were written, “Number: 00000001”!

“What is the meaning of this number? Are you planning to write it often in the future? Are you planning to write a few hundred million apology letters for me?”

“Prince Charming, my hand slipped, my hand slipped, I wrote too many zeros! Keep reading! Keep reading!” Yun Chujiu thought to herself. She did not make big mistakes, but she kept making small mistakes. This apology letter would definitely be written in the future.

Di Beiming glared at her and continued to read:

Self-reflection letter number: 00000001

Dear Prince Charming,

I was wrong! I was so wrong! With the reminder and care of my Prince Charming, I realized my mistake. I should have not been strict with myself. Because I was soft-hearted and agreed to drink with the head of the black chicken, I walked on the wrong path!

I summarized my mistakes as follows:

First, without the permission of my Prince Charming, I ate and played with the head of the black chicken. However, I definitely did not sleep with it. I can swear to God on this point. So far, the only man I have slept with is you, Prince Charming. There might be a second man in the future...

What? When Di Beiming saw this, he almost exploded with anger. He wanted to strangle Yun Chujiu to death. Yun Chujiu shrunk her neck and said, "Prince Charming, don't be impulsive. Don't be impulsive. Keep reading! Keep reading!"

Di Beiming glared at her fiercely and continued to read.

"There might be a second man in the future, and that would be our son. Haha, there might even be a grandson, a grandson. Hahaha, I've already thought it through. If we have a son, we'll call him Di Yi. If we have a daughter, we'll call him Di Yiyi. In any case, it means number one. Am I very smart?!!"
