

## The Yun Family's Ninth Child is an Imp! Chapter 463

When Di Beiming saw what was written at the back, his expression eased up a little. Black Thing's naming skills were really not that good. It was no wonder. The Yun family's name was derived from family history. Look at the names of the siblings, Yun Chusi, Yun Chuwu, Yun Chulu... There was no one else!

Di Beiming continued reading:

"Two, I shouldn't drink alcohol. Although alcohol is a good thing, it is harmful to drink too much. Especially for people like me who have poor alcohol tolerance and taste, I definitely shouldn't drink alcohol. I promise that I will not drink alcohol in the future.

"Three, I shouldn't secretly draw your... Thing. "Although my intentions are good and art is not sinful, since my prince charming doesn't like it, I will not draw anymore.

The above was my mistake. Because of my mistake, it caused huge mental stress to Prince Charming. Regarding this, I sincerely apologize and promise that I won't make similar mistakes in the future. I hope Prince Charming can forgive me.

When he saw this, Di Beiming was quite satisfied. No matter what, it looked like a normal apology letter. However, when he read the last part, Di Beiming almost gasped. He saw the following words:

"Prince Charming the above are not my heartfelt words. The following are my heartfelt words.

First, black chicken head and I are just playmates. We don't have any ambiguous feelings, nor do we have an impure physical relationship. Prince Charming, you lost your temper for no reason and seriously hurt my little heart.

Second, the wine is brewed from spirit rice. If I don't drink it, it would be a waste. It is shameful to waste food. I uphold the principle of not wasting, so I helped black chicken head drink a little wine. Is this wrong?

Thirdly, I drew your... Thing. That's because I like you. Why didn't I draw someone else? Moreover, I didn't let you show all of your body. Didn't I cover you with something? How stingy!

In short, this incident was completely caused by your narrow-mindedness. However, I, as an adult, will not remember the past. After all, you care too much about me. I will forgive you."

Di Beiming threw the letter on the table. "Black Thing, is this a letter of apology or a letter of challenge?"

Yun Chujiu said with a cheeky smile, "Prince Charming, if you are not happy, you can look at it the other way around. Just pretend that what you wrote in front of me is what I am thinking."?

"If you really are angry, go and beat up Wu Ji!"

"If it wasn't for him coming to the Linghua faction to spy on you, wouldn't all these things not have happened?"

"Therefore, the main culprit is Wu Ji's head. Go and beat him up!"

"Achoo!" "Achoo!" Xue Wuji, who was wrapped in the blanket, sneezed twice. "It must be Di Beiming's paralyzed face scolding me!" That bastard! "If he didn't kick me into the pool, would I have caught a cold?" "Hua Hua, I'm a little drunk. Tell me in detail what happened last night."

Secret Agent Huahua told him everything that happened the night before, including what Xue Wuji said, Yun Chujiu's words, and Di Beiming's expression.

Xue Wuji flipped his hair. “Little sister Jiu sang a pretty good birthday song. At least the lyrics are easy to remember. This little girl is quite interesting, Hehe.”

Secret Agent Huahua looked at Xue Wuji’s silly smile and had an ominous feeling in her heart. “Young Master, you’re not going serious, are you? You’re not falling in love with that Yun Chujiu, are you?”

Xue Wuji was stunned and then scolded angrily, “What nonsense are you talking about?! How could I fall in love with such a skinny little girl?! I just don’t think she’s that annoying anymore!”
