

## The Yun Family's Ninth Child is an Imp! Chapter 465

Secret Agent Huahua's hunch was right. Xue Wuji left the courtyard with a howl!

Di Beiming was in a better mood after winning against Xue Wuji. Yun Chujiu began to fawn over him. "Dear Prince Charming, please forgive me! Look at how many rounds I better against Wu Ji just now!"

"We are in a beautiful relationship. Wu Ji and I are not even friends. Aren't you being too jealous?!"

"Idol, I have the honey of the Eupatorium bees here. Let me make some honey water for you. It's Delicious!"

...

Yun Chujiu saw that Di Beiming's expression had eased up a lot. She said sneakily, "Idol, it's useless for you to keep those portraits. Just give them back to me. I can even relieve the pain of lovesickness."

"Don't even think about it! In the future, I'll confiscate every single one of them if I find them! Do you still have any more?" Di Beiming stared at Yun Chujiu.

"No More, I don't have any more!"

Di Beiming saw that Yun Chujiu did not look like she was lying, so he snorted coldly and let her go.

Yun Chujiu was proud in her heart. Hmph! I don't have any, I still have a stack! Gigolo, you want to fight with me?! You're still too inexperienced!

From this day onwards, Xue Wuji crawled out of bed and reported to Yun Chujiu in the courtyard. Once Di Beiming expressed his intention to chase him away, he would say that Di Beiming was not confident and that Di Beiming had been goaded by Xue Wuji, he would pretend that he did not care at all!

Hence, the moment Yun Chujiu stepped out of the door, the imposing Di Beiming was on the left while the devilish and handsome Xue Wuji was on the right. Countless female disciples were envious of her!

Furthermore, no one knew who spread the news, but everyone knew that Yun Chuling was not Yun Chujiu's brother at all. After thinking about it, if she was not her brother, then he must want to court her! It was really infuriating to compare people! Yun Chujiu, that little girl, actually had two outstanding men going after her, but none of us did!

Seeing that his identity had been exposed, Xue Wuji became even more unbridled. If he had nothing to do, he would try to curry favor with Yun Chujiu!

On this day, Yun Chujiu had just woken up when she heard a commotion outside. Yun Chujiu curiously went out to take a look and saw that there was a huge heart-shaped red Pinellia flower outside, Xue Wuji was still holding a bunch of Pinellia flowers in his hand. "Little Sister Jiu, in my heart, you are as beautiful as this Pinellia Flower!"

The female disciples who were watching could not stop screaming. This Yun Chuling was too romantic. How great would it be if he gave it to me!

"Brother Wuji, are these Pinellia Flowers for me?" The corners of Yun Chujiu's eyes twitched slightly. What was wrong with Xue Wuji?!

"Little Sister Jiu, of course, these flowers are for you! This is a token of my appreciation for you!" Xue Wuji said affectionately.

Di Beiming, who was standing behind Yun Chujiu, wished that he could turn these flowers into powder! Damn it! I have to find something to do for this Xue Wuji. Otherwise, he would be like a fly circling around the Black Thing all day long. It was inevitable that the Black Thing would be misled!

Yun Chujiu said with a smile, "Then thank you, Brother Wuji! Are these flowers mine now?"

Xue Wuji nodded. He was very proud of himself. He looked at Di Beiming provocatively. Hmph, how could you come up with such a romantic idea? I will definitely win Yun Chujiu's heart!

When Di Beiming saw that Yun Chujiu actually accepted these flowers, his face turned green, he did not expect Yun Chujiu to be so happy and shout, "Fresh Pinellia flowers, anyone wants to buy them?" "Five spiritual stones for a flower, five spiritual stones for a flower, you can't buy it at a loss, five spiritual stones for a flower, you can't buy it at a loss! The Pinellia flower that Yun Chuling picked personally is limited in quantity, if you want to buy it, hurry up!"
