

The Yun Family's Ninth Child is an Imp! Chapter 466

With Yun Chujiu's shout, the female disciples who adored Xue Wuji began to frantically buy the Pinellia flowers! Yun Chujiu regretted this. If she had known that they were so crazy, she would have asked for ten spiritual stones for one!

Di Beiming raised his eyebrows at Xue Wuji. Xue Wuji was so depressed that he wanted to vomit blood! He covered his chest with his hand and said, "Little Sister Jiu, you hurt my heart too much! My heart is about to break! These Pinellia flowers were picked by me in the middle of the night. Every single one of them represents my strong love for you! You changed them into ice-cold Spirit Stones?! You really make me sad!"

Yun Chujiu giggled. "Brother Wu Ji, thank you! But, you can just give me spirit stones next time. Compared to these impractical things, I still prefer shiny spirit stones! One piece is not too little, ten billion is not too much, the more the better!"

"Vulgar! Too Vulgar! Little Sister Jiu, you have to get rid of this habit of worshipping money! As the saying goes, those who get close to the Vermilion Bird will be the scarlet bird, while those who get close to the ink bird will be the black bird. It is because you have stayed with Di Beiming for a long time that you have lost the innocent and romantic feelings of a young girl! "Let's go, I will bring you to pick wildflowers. When we come back, we will have roast meat for dinner!" Xue Wuji had just been defeated, yet he was immediately revived with full health.

Yun Chujiu was a little tempted. Di Beiming coughed dryly, "Xue Wuji, has your blood demon sect been very free recently? You've been in the Linghua sect for quite a while now. Shouldn't you go back to the blood demon sect to check on things?"

Xue Wuji asked with a guarded expression, "Di Beiming, you're not trying to keep me away from Little Sister Jiu, are you?"

Di Beiming raised his eyebrows, "This venerable one is only making suggestions. It's up to you whether you listen to it or not! However, this venerable one feels that if you don't go back today, I'm afraid you'll have no choice but to go back tomorrow!"

Xue Wuji gritted his teeth in anger. "Good!" Very good! Di Beiming, you've made me look at you in a new light! You've learned to play dirty tricks! Hmph! Anyway, I have to go back to the blood demon sect to prepare a birthday present for Little Sister Jiu, so I'll go back first! "Little Sister Jiu, in a few days, when it's your birthday, Big Brother will come and celebrate your birthday!"

Yun Chujiu was stunned. She did not expect Wu Ji to even know her birthday. It was only two months away from her 16th birthday. Time really flew by!

Di Beiming's face was gloomy. His original body did not even think of helping Black Thing celebrate her birthday. Xue Wuji thought of it. Why was he so concerned about Black Thing? Was it just to go against him, or did he really like Black Thing? No! He had to extinguish this flame. He could not let him appear in front of Black Thing in the future!

"Little Sister Jiu, Big Brother will leave first! If I don't leave, this facial paralysis will really do terrible things. Big Brother will miss you! See you later!" Xue Wuji said as he turned around and left, looking like a little wife who had been abandoned!

After Di Beiming entered the courtyard, he said unnaturally, "Little Jiu, I will also give you a birthday present on your birthday."

Yun Chujiu giggled. "Okay, then you must give me a big present. If you don't know what to give me, then give me the ten million upper-grade spiritual stones that the Black Chicken's head gave you as compensation. I will like it very much!"

Di Beiming was still feeling a little guilty, but when he heard Yun Chujiu's words, he immediately felt guilty and glared at her. "Don't even think about it!"

Yun Chujiu pursed her lips. This gigolo was good in every way, but he didn't give her any spirit stones. He was stingy!
