

The Yun Family's Ninth Child is an Imp! Chapter 484

Outside the Wuwei Tower, everyone was boiling with excitement. "Oh my God, Yun Chujiu has entered the ninth level!"

"It might not be Yun Chujiu! Didn't you see that her score has already become minus 25,300 points?"

"You say it isn't Yun Chujiu, but then who else could it be? Let's not argue anymore. When Yun Chujiu is finally ejected, the truth will be revealed!"

..

While Yun Chujiu was cursing happily, she was directly teleported to the ninth floor. Yun Chujiu was a little confused when she saw the scene in front of her. What was the meaning of this?

In front of Yun Chujiu was a stone platform that was about ten feet square. On the stone platform were thousands of exquisite little jade bottles. Yun Chujiu thought to herself, could it be that the Wuwei Tower's conscience has been discovered?! This was a medicinal pill to supplement her?!

However, what use did she have for this lousy medicinal pill?! She might as well give her some spirit stones!

Just as Yun Chujiu was feeling puzzled... A slightly smug voice said, "The ninth level of the Wuwei tower's trial has been opened. Trial-taker Yun Chujiu. "Each jade bottle contains a medicinal pill. Only one of the medicinal pills in the jade bottle is not poisonous. Choose one and swallow it. You can't open it to see. You can only rely on luck to choose one!"

Qi Ling was very pleased with herself. She held a jade bottle in her hand. 'Haha, little fellow, you dare to offend me! I have already taken out the only pill that isn't poisonous. No matter which pill you choose, it will be filled with poison. If you eat it, you will die, and then you will be ejected out of the Tower!'

After hearing Qi Ling's words, Yun Chujiu couldn't believe her ears. The ninth trial was such an unreliable test?!

No wonder Patriarch Ling Hua couldn't pass it. What kind of heaven-defying luck did he have to pass it?! The odds were almost one in a thousand!

However, hahaha, it was too easy for me, right?!

Yun Chujiu rolled her eyes and said with suspicion, "You're not lying to me, right? Are all the pills here poisonous?!"

"Nonsense! Why would I take out the ones that aren't poisonous first?! Hurry up and choose! Don't dilly-dally!" Qi Ling said loudly while feeling a little guilty.

Yun Chujiu pursed her lips. However, it was also reasonable. She had taken out so many spirit stones from the tower, so it was understandable for Qi Ling to resort to dirty tricks.

"Whether you removed it out or not, you know in your heart! Before I choose, I'll ask you a few questions. The first question is, do I pick one and eat it? If nothing happens to me after I eat it, will I pass this test?"

"That's right. As long as you eat it, you would have passed this stage!" No matter which Yun Chujiu chose, it would be filled with poison. If you ate it, you would definitely die!

"The second question is, if I pass this stage, what rewards and how many points will I get? Don't tell me you will still cancel the rewards and give me negative points?"

Qi Ling thought, "Hmph! You haven't even passed it yet, and you are already thinking about the rewards and points! Since it's impossible to pass anyway, I'll just tell you!"

"Don't worry, as long as you can pass it, I will give you the rewards for this stage! There are infinite points for this round. As long as you pass it, you will end up first on the ranking board!"

"Then what exactly is the reward for this round? If it isn't good enough, I don't want it! I'll just stay here and not get out! Anyway, since I haven't finished the test for this round, you can't bounce me out! The food in my storage ring is enough for me to live for at least eight to ten years!" Yun Chujiu said shamelessly.

Qi Ling felt that she had seen it all after living for such a long time!

Qi Ling had lived for tens of thousands of years, but this was the first time she had met such a shameless human!

Yun Chujiu had dug out her disk array, spirit stones, and even blackmailed her little spider. Now, she was still acting like a scoundrel. It was really infuriating!
