

## The Yun Family's Ninth Child is an Imp! Chapter 485

"What's the harm in telling you?! If you pass this test, you will get a map and a jade token. As for what map it is, you don't need to know. You won't be able to pass after all!" Qi Ling said disdainfully.

"What? That lousy reward for this test? I'm not going to attempt it then! I haven't slept well for the past two days, so I decided to sleep here!" Yun Chujiu actually took out a recliner and happily lay on it. She closed her eyes and was ready to fall asleep.

Qi Ling was so angry that she was about to hit the wall!

Oh my God, oh my God, who can tell me where this disaster came from?!

If there was no one in the Wuwei Tower, it would be in a dormant state and would not consume any spirit stones. As long as there were people inside, the spirit stones would be continuously consumed. If this scoundrel really lay here for a year or so, wouldn't it be a huge loss?!

"You... You... What do you want me to do before you start choosing?" Qi Ling had no choice but to capitulate.

"What do you want to do? Give me all the rewards from the previous rounds! Then, pay me an extra hundred sparkling top-grade spirit stones! If you don't give agree... Hmph! I will set up camp here!" Yun Chujiu was fearless, no matter how powerful Qi Ling was, she still had to follow the rules. As long as Yun Chujiu did not choose a porcelain bottle to eat the pills inside, Qi Ling would not be able to do anything to her!

After Yun Chujiu finished speaking, she did not hear any reply for a long time. She was puzzled. Could it be that she had fainted from anger? Could it be that she had died from anger? It would be terrible if she died from anger! If she had known earlier, she would have asked for a few spirit stones less!

The weapon spirit that had fainted from anger... She got up and gnashed her teeth as she said, "Yun Chujiu! You are absolutely the most shameless person that I have ever seen enter the Wuwei Tower! Alright! I Promise You, as long as you can pass this round, I will do as you say. I will give you the rewards from the previous rounds, and then I will pay you 100 supreme-grade spirit stones. Hurry up and choose a pill!"

"What if you are lying? Swear on it!" Just say that if Yun Chujiu did not die after eating the pills, Yun Chujiu will pass this round, and you will give Yun Chujiu infinite points. In addition to the map and jade token for this round, you will also give Yun Chujiu the rewards from the previous rounds, and 100 supreme-grade spirit stones as a bonus. If you don't do as you are told, your soul will be shattered!"

Qi Ling gritted her teeth and repeated Yun Chujiu's words. Yun Chujiu then put away the recliner and casually picked up a jade bottle. She poured out the pill inside and swallowed it!

Qi ling was so excited that tears welled up in her eyes. She just had to wait a little longer and this shameless brat would have 'die'. Qi Ling could finally have her thrown out! Hahaha! Little Brat, you want to fight with me?! After she went out, what awaited her was all sorts of ridicule! She had already lost 25,300 points!

However, after waiting bitterly for a while, Qi Ling did not see any discomfort from Yun Chujiu. On the contrary, she seemed even more lively!

"Hey, this little jade bottle of yours is quite exquisite. I want to keep it as a souvenir!" Yun Chujiu shamelessly put the little jade bottle in her storage ring, and then her eyes stared at the other little jade bottles.

"Do you have any strict rules? You have to eat only one pill? Can I eat a few more?" Yun Chujiu asked with a smile.

Qi Ling thought that perhaps the poison pill had been left out for too long and the medicinal effect was not enough. If she ate a few more, she would definitely be poisoned to death. So, she said, "No, you can eat as many pills as you want!"

An hour later, Qi Ling fainted on the ground again! That damned smelly girl ate all the pills on the stone platform and even packed up the little jade bottles! She should just stay unconscious for a while, waking up to this is too painful!
