

The Yun Family's Ninth Child is an Imp! Chapter 488

The male disciple of the heaven sect braced himself and walked to the front of the Wuwei Tower. Imitating Yun Chujiu's speech, he held his treasured sword and cursed loudly, "Wuwei Tower, You old fart! You're shameless! Hurry up and turn my points into infinity! Do you hear me?! or I'll chop you to death!"

The crowd saw the Wuwei tower conjure up a large palm, then slapped the male disciple and sending him flying! The crowd only saw a black dot disappear into the horizon. They did not know if the male disciple would still be alive!

The Wuwei Tower's Qi Ling was furious! F*ck!! It was fine if that little girl scolded it. After all, she had passed the ninth level of the trial. How dare a little piece of trash scold it?! It was asking for a beating!

This heaven sect was too detestable! This Qi Ling must teach them a lesson! You want unlimited points? Qi Ling will turn all your points into a negative number! Let's see if you still want unlimited points! Idiots!

This slap from the Wuwei tower was like a hard slap on Du Guyi's face! If he had not told that disciple to scold the Wuwei Tower, that disciple would not have been sent flying!

"Sect master Dugu, why don't you scold him yourself? I reckon that your scolding will be more effective than that person's!" Yun Chujiu said with a grin.

Du Guyi almost spat out a mouthful of blood! This smelly girl knows how to go straight for the heart! Just as he was about to say something, he heard some disciples scream!

"Oh my God! All the disciples of the Heaven sect have had their points turn negative!"

"It's true! That Su Yanran originally had 6,300 points, but now she has become negative 6,300 points!"

“What’s going on? Is the Wuwei Tower having a stroke?”

“Cheh! Isn’t this simple! Just now, the male disciple of the Heaven sect scolded the Wuwei Tower’s Qi Ling. In a fit of anger, Qi Ling turned all their points into negative points!”

“You’re right! hahaha! The Heaven sect made a fool of themselves this time! They were originally in second place, but now they’re in last place!”

“Hahaha! Previously, the Heaven sect was still mocking Yun Chujiu. Now, they’ve slapped their own faces! It’s so funny!”

..

The people of the Heaven sect were all dumbfounded. This day was simply too exciting! From first place to second place, and now to fourth place! They had even become a huge laughingstock!

Some of the elders of the heavenly gate sect were somewhat dissatisfied with Du Guyi. Some time ago, it was because of his mistake that they compensated the Ling Hua sect with one-tenth of their spirit stones. Because of his arbitrariness, they lost ten million low-grade spirit stones to the Ling Hua sect!

Now, because of that stupid decision he made, not only was that Disciple’s life in danger, but their Heaven’s gate sect had also changed from second place to fourth place. Du Guyi was too incompetent as a sect master!

Du Guyi’s vision went dark and he almost fainted! It was over! It was already bad enough that the first place had been snatched away by the Ling Hua sect. Now, it had changed from second place to fourth place! What did he mean by overreaching and throwing a stone at his own feet? This was what he meant!

Du Guyi wished he could find a hole to hide in! Especially when he saw fairy Yu Mei and Dao Zhen Yi's overjoyed expressions, his intestines turned green with regret!

When Du Guyi saw the smiling Yun Chujiu at the side, he wished he could strangle her to death!! If she had not asked him for a reward, how could he have come up with such a stupid idea?! So the main culprit was Yun Chujiu! Sooner or later, he would kill her!
