

The Yun Family's Ninth Child is an Imp! Chapter 499

The two of them could only see the Linghua faction camp filled with laughter. Yun Chujiu was beaming with joy as she played cards with Feng Ming and the others. Although it was already late, Yun Chujiu took out the Illuminating Pearl that she had dug out from Xue Wuji's place. The entire camp was as bright as day.

Yun Chujiu's small face was smiling like a flower. She was not heartbroken at all as the two of them were worried. She was simply overjoyed!

Just now, after Di Beiming and Xue Wuji left, the atmosphere in the camp had also stagnated. Master Xuanyuan and the others were worried that something might have happened to Yun Chujiu. Just as they were about to go in and persuade her, they saw her jumping out with a smile!

"The two idiots have left. Let's continue to roast meat! We don't want them to ruin our atmosphere here!"

Everyone...

"Junior sister Xiao Jiu, weren't you really angry just now? You looked too scary just now!" Feng Ming came over and asked.

"Humph! I'm not stupid. Anger hurts my body. I Won't punish myself for other people's mistakes! It's good that the two idiots have left. That way, we can have more fun! Hurry up and eat, then we can play faster!" Yun Chujiu was indeed a little angry, however, it was not as serious as it seemed. Seeing that Di Beiming and Xue Wuji were not going to stop, she simply took the opportunity to scold the two of them.

Seeing Di Beiming and Xue Wuji return, this guy acted as if nothing had happened, she greeted the two of them with a smile, "Prince Charming, brother Wuji, are you guys done with your sparring? It seems that the exchange between the two of you is very civilized. There is no injury at all!"

Di Beiming snorted coldly, but Xue Wuji said with a smile, "Little Sister Jiu, Big Brother made a mistake just now. What are you guys playing? Count Big Brother in!"

Yun Chujiu nodded, "It's good that you know your mistakes and can change. Prince Charming, what do you say?"

Di Beiming's face was livid. He wished he could just leave. However, if he left, wouldn't he be giving Xue Wuji a chance? He said coldly, "It won't happen again."

"Senior brother Feng Ming, I'm not playing anymore. Find someone else to replace me! Prince Charming, brother Wuji, come, let's play Fight the Landlord!" Yun Chujiu said with a smile.

Xue Wuji hurriedly said, "Alright! Today, I will make you both lose until you cry!"

Seeing that Di Beiming did not move, Yun Chujiu stood up and grabbed Di Beiming's arm. "Prince Charming, brother Wuji said that he will beat us until we cry. Are you afraid of him?!"

Di Beiming snorted and sat down. The three of them began to fight.

Master Xuanyuan saw that the three of them had finally stopped and could not help but let out a long sigh! He felt that his old heart had withstood the harsh test in the past few days. Young people really knew how to play. One moment they were showing off their love, and the next moment they were shouting and fighting. It was too exciting.

Of course, Xue Wuji had lost miserably once again. Seeing Xue Wuji's hopeless look, Di Beiming felt that his mood was much better.

In the end, Xue Wuji rode his sword and flew away while howling!

“Hehe, brother Wuji’s card skills are as stinky as ever! Prince Charming, I performed well just now, right? I didn’t care about you even if I had a big card. I deliberately let you win. Don’t be angry with me, okay?” Yun Chujiu pulled Di Beiming’s arm and shook it.

Di Beiming saw her cute appearance and his heart itched. He said to Master Xuanyuan, “Master Xuanyuan, Little Jiu, and I have some matters to attend to. We will return on the day of the competition!”

After Di Beiming finished speaking, he did not wait for Master Xuanyuan to react before he flew away with Yun Chujiu on his sword!
