

## The Yun Family's Ninth Child is an Imp! Chapter 501

Yun Chujiu was dumbfounded!

She was usually such a shrewd person, how could she be so unguarded in front of this gigolo?! How could she let him get the truth out of her just like that?!

Damn it! Why did he say that he would keep it for her? What a lie!

If it was just to confuse others, he could have just said it! 'I have to give it to you for safe-keeping?! Don't even think about it!'

'It was not easy for me to become a rich person. I can't let the gigolo take away my precious Spirit Stones!'

"Prince Charming, I'm so sleepy. I'm going to sleep first. Do whatever you want!" Yun Chujiu took off her coat and climbed to the side of the bed. She closed her eyes and pretended to be asleep.

Di Beiming raised his eyebrows. "Black Thing, I have a pair of Moonlight Begonia boots that are protected from lightning. Do you want them?"

Yun Chujiu's eyelashes trembled. The gigolo must be lying to her. She could not fall for it!

"Don't tell me you really don't want it?? After every lightning strike, you have to waste a pair of boots. These Moonlight Begonia boots won't have that problem. Most importantly, the boots can not only resist lightning strikes, but it can also increase the wearer's speed. If you encounter danger in a place where flying is prohibited, these Moonlight Begonia boots are simply the best weapon to escape and save your life with!"

Yun Chujiu's eyelashes trembled even more!! 'Sob sob! I really want it!!' However, if she wanted those boots, the gigolo would take away the supreme-grade Spirit Stones that she had obtained with great difficulty. She really could not bear to part with them!

When Di Beiming saw this, the corners of his mouth curled up as he continued, "Black Thing, do you think you can spend the supreme-grade Spirit Stones you have? Once you take them out to exchange for them, you will be targeted by others. At that time, you'll be in trouble. Do you think it's better to keep them in your storage ring and let them rot, or do you think it's better to exchange them for this pair of Moonlight Begonia boots that I'm offering you?"

Yun Chujiu gritted her teeth, opened her eyes and said, "Didn't you say that you gave them to me? Why is it an exchange?"

"It's not impossible to give it to you. That depends on whether I'm happy or not!" Di Beiming saw that Yun Chujiu no longer pretended to be asleep, and he was very proud of himself.

"HMPH! I can leave the Spirit Stones with you, but you have to write a formal letter for me. Otherwise, what happens if you start acting like a scoundrel again when I use it?" Yun Chujiu pouted and said.

Di Beiming walked to the table, took out a brush, ink, paper, and inkstone, and wrote a letter for Yun Chujiu. Yun Chujiu then pouted and handed the two hundred supreme-grade Spirit Stones to Di Beiming.

Di Beiming took out a pair of exquisite little boots from his storage ring and handed it to Yun Chujiu. She jumped off the bed and tried it on. Sure enough, after wearing it, she felt lighter and her aching heart was slightly comforted.

HMPH! Fortunately, she still kept a dozen or so pieces, or else she would really be finished!

She had started playing tricks when she was in a bad mood!

“Prince Charming, I want to go out and look at the stars! Carry me out to look at the stars!”

Di Beiming glared at her. “Didn’t you just come back from the outside? You’ve been looking at the stars the whole night. Why do you still want to look at the stars?!”

“I don’t care! I want to look at the stars anyway. If you don’t carry me out, I’ll cry!” After saying that, the guy sat on the bed and started wailing.

“Black Thing, stop wailing! Go to sleep!” Di Beiming felt a headache. He knew that Yun Chujiu was acting like a demon because he confiscated her Spirit Stones. Fortunately, the isolation array was activated in the room so no one could hear her.

“I don’t want to! I want to see the stars! Wah! Wah! I want to see the stars!” Yun Chujiu did not have a single tear at the corner of her eye. She was acting like a demon!

Di Beiming could not take it anymore. He directly pressed Yun Chujiu onto the bed and kissed her!
