

## The Yun Family's Ninth Child is an Imp! Chapter 507

When the long-faced woman heard that the round-faced woman had pushed all the blame onto her, she glared at the round-faced woman angrily, then, she cried out, "It was clearly Senior Sister Li who scolded Yun Chujiu for seducing a man first. She was so shameless. Furthermore, she was the one who made the first move to kill Miss Yun! She was kicked into the stream by Miss Yun. I only made the first move to save her!"

"Nonsense! You were the one who scolded Miss Yun first! Furthermore, you used a wind blade to kill her! However, you didn't manage to kill her and were kicked into the water by Miss Yun instead!"

Du Guyi almost spat out a mouthful of blood. There was no need to ask anymore. These two idiots had sold each other out!

When Yun Chujiu heard the two women say that, she immediately howled, "Oh my God! My injustice has finally been cleared! Not only did I almost lose my life at such a young age, but I was also backstabbed and slandered as a murderer! My little heart feels too uncomfortable! If there isn't anything to comfort me, my heart will be broken and I will die!"

The corners of everyone's eyes twitched. This fellow was trying to make Heavenly Gates Sect compensate her!

Du Guyi felt that if he did not find an opportunity to kill Yun Chujiu, sooner or later, he would be angered to the point of vomiting blood and die!

Du Guyi squeezed out a smile and said, "Little girl, this is all a misunderstanding! It's all a misunderstanding! When I return to the sect, I will definitely punish these two disciples severely. As for the injuries you suffered... I... I will give you a middle-grade spirit tool, okay?"

Yun Chujiu howled even louder, "Wow, wow! My little life is so worthless! My little heart, my little arms, and my calves are so scared that they're not listening to me anymore..."

Du Guyi took a deep breath and tried to persuade himself in his heart. Only then did he manage to hold back the thought of strangling Yun Chujiu. He gritted his teeth and said, "Two middle-grade spirit tools should be enough, right?!"

Yun Chujiu's sobs suddenly stopped. She giggled and stretched out her small claws. "Alright then! Since you're so generous, I won't pursue the matter!"

Du Guyi threw two middle-grade spirit tools to Yun Chujiu. He ignored the two female disciples who were soaking in the stream. He cupped his hands toward Fairy Yu Mei and Daoist Zhenyi and left angrily!

Fortunately, there were a few female disciples from the Heavenly Gates Sect who helped the two women out of the stream. At this time, their acupuncture points were automatically opened. Although the two hated Yun Chujiu, they hated each other even more and kept scolding each other, if it were not for someone pulling them, they would probably have started fighting.

Fairy Yu Mei looked at Yun Chujiu with a smile. "Little girl, your little mouth really knows how to talk!"

"They're so-so. It's mainly because I'm in the right. Besides, it's also because you and Daoist Zhenyi were backing me up. Who doesn't know that you two are the most fair and won't leave me to die! If it weren't for the two of you, Sect Master Du might have killed me to silence me!" Yun Chujiu smiled and put on a high hat for the two of them.

Fairy Yu Mei smiled. Although this little girl was a little greedy, she was still very likable.

Fairy Yu Mei, Daoist Zhenyi, and Master Xuanyuan exchanged a few more pleasantries before they bade farewell and left.

Qi Pianpian and Wu Yanyu shrunk their necks. After seeing the miserable state of the two female disciples of Heavenly Gates Sect, they finally knew how terrifying Yun Chujiu was. It was better for them to not provoke her in the future!

After Yun Chujiu was done beating people up and making a small fortune, her mood improved. She followed everyone to the camp. When she arrived at the camp, she saw Di Beiming with a livid face staring at her with soulless eyes.
