

## The Yun Family's Ninth Child is an Imp! Chapter 508

Master Xuanyuan and the others felt that the cold air around Di Beiming could freeze them. They gave Yun Chujiu a look of self-seeking and all of them ran away!

Di Beiming originally thought that Yun Chujiu would run over to apologize when she saw him. He did not expect Yun Chujiu to straighten her little body and walk past Di Beiming with her head held high as if she did not know Di Beiming at all!

Di Beiming gritted his teeth, "Black Thing, stop right there!"

Yun Chujiu acted as if she did not hear him and continued hopping forward!

"Black Thing! I said stop right there!"

Yun Chujiu still ignored Di Beiming and jumped even more happily!

Di Beiming felt that he was about to explode. With a wave of his sleeve, Yun Chujiu realized that she could not move anymore! However, this girl still ignored Di Beiming and kept her silence to the end!

"Black Thing, didn't you hear me calling you?" Di Beiming was even more furious when he saw Yun Chujiu's fearless look.

"I'm not Black Thing! My name is Yun Chujiu, and some people call me Little Jiu. What the hell is 'Black Thing'? I'm not black anyway! Who knows who you're calling?!" Yun Chujiu snorted coldly. 'Little fellow, since you're willing to come back, you must be regretting it. If you still want to act pretentious, dream on! Today, I'll serve you your arrogant and stinky habit!'

"Black Thing, you've grown wings, haven't you? Do you think I can't do anything to you?" Di Beiming's eyes were filled with fire as he stared fiercely at Yun Chujiu.

“You’re so powerful, of course you have a way! Aren’t you just going to kill me? Then just kill me! Anyway, I don’t think there’s any meaning in living! I was just reading salacious books to kill time. What’s so evil about that? How is it that I’ve offended you?!” Yun Chujiu was going all out! Anyway, the gigolo would not beat her up, so why should she be afraid of him?! From now on, she would be the master!

“You! You’re twisting the truth! There are so many kinds of books, why do you only look at the vulgar ones?!” Di Beiming wanted to strangle her to death.

“Vulgar? How is it vulgar? I didn’t look at the erotic pictures, how am I vulgar?!” Yun Chujiu said confidently.

“You! You! You actually want to look at that kind of thing?! Black Thing, I must teach you a good lesson today!” Di Beiming held Yun Chujiu by her waist and slapped her butt hard!

Yun Chujiu immediately howled like a pig being slaughtered, “Gigolo! You actually dare to hit my little butt?! My little butt is going to be smashed! Sob sob! Gigolo, you shameless scum who murdered his wife! I’m not done with you!”

“Sob sob, I just read some books! I didn’t go to a brothel and get a gigolo. What right do you have to hit me?!”

Di Beiming was a little regretful after beating her up, but when he heard Yun Chujiu say that, he was so angry that he slapped her again!

“Ah! It hurts so much! Sob sob! Gigolo, I won’t talk to you anymore! You fussy bastard! You actually hit me!”

“Help! Help! Is there anyone in Spirit Radiance Sect who is still breathing? I’m going to be beaten to death by this gigolo! Someone come and save me!”

“Don’t you people want to save me? Wahh! Wahhhhh! Why did I join such a heartless sect?! If I’m beaten to death by this gigolo, I won’t forgive you even if I become a ghost!”
