

The Yun Family's Ninth Child is an Imp! Chapter 516

When Xue Wuji heard Yun Chujiu's words, he said proudly, "Little Sister Jiu, what do you like to eat? I'll send it to you every morning from now on! As long as you tell me, I'll definitely send it to you!"

Di Beiming glanced at the two of them, then said to Yun Chujiu, "Black Thing. Originally, the rest was meant for you. Since you think the shrimp dumplings are delicious, then I'd better keep it."

Yun Chujiu was torn between her pride and the delicacies for a few seconds, then took the bowl of polar mussel porridge to her side and said shamelessly, "The shrimp dumplings are the staple food. I can have some more porridge."

The corner of Di Beiming's mouth curled up, but he did not say anything, then he mockingly looked at Xue Wuji.

Xue Wuji gritted his teeth. Just as he was about to say something, he saw Yun Chujiu reach out her evil claws and take the two steamer baskets in front of Di Beiming to her side. Then, she gobbled them up.

She already felt that she was behaving shamelessly, so what was there to be polite about?!

Xue Wuji was very depressed. These things that he had spent most of the night making could not be compared to the lousy things that Di Beiming brought over?! He had never seen this food in a restaurant in the Tianyuan continent. It must be made by the Temple of Immortals' own chef!

He would post a notice to hire a chef when he went back. He did not believe that he could not compete with Di Beiming!

Di Beiming and Xue Wuji were busy competing with each other while Yun Chujiu was only responsible for eating. As for whether she would lose face or not, it was not an issue at all!

After breakfast, the competition continued. The first to start was the array formation competition.

There were already judges who had set up the nine zigzag array on the high platform. After the twenty people who participated in the competition entered the array, the judges opened the array disk and ranked them according to the order in which they had to break out of the array.

Yun Chujiu looked at them casually while munching on melon seeds. She muttered in a low voice, "This is too easy! If I go up, I'll be out in less than fifteen minutes!"

The surrounding disciples of the Linghua sect curled their lips. This Yun Chujiu was becoming more and more arrogant. Yesterday, she said that she wanted to learn all four techniques of cultivators, and today, she was spewing nonsense. How could she be out in less than fifteen minutes?! Are You Dreaming?!

This nine-winding array was formed from nine array formations. It was already good enough if the disciples on the stage could get out within four hours. It was surely impossible to make it in half an hour!

However, Xue Wuji knew how powerful Yun Chujiu was. He smiled and said, "Of course, they can't compare with Little Sister Jiu. Little Sister Jiu, if you're bored, you can read the book. You haven't finished reading the few books that we bought together last time, have you?"

Di Beiming's eyes darkened. Damn this Xue Wuji. He knew that he and Hei Dong had a conflict because of the book but Xue Wuji had to bring it up. He must be up to no good. Di Beiming had to hold back and not lose his temper.

Yun Chujiu blinked her eyes. So that was the case! Didn't the Black Chicken Head slip up last time? This guy did it on purpose! You black-headed chicken! Just you wait, I'll get my revenge sooner or later!

However, it was fine to read it. Firstly, to pass the time, and secondly, to test Di Beiming's reaction!

Therefore, Yun Chujiu took out a book from her storage ring and read it happily. It was titled 'Smiling at the pretty boy's harem'!

Di Beiming wanted to burn this book into ashes. He clenched his fist and held it back!

Yun Chujiu saw that although Di Beiming's face was gloomy, he did not do anything. She was very proud. No matter how overbearing and arrogant you are, I will turn you into my slave!
