

## The Yun Family's Ninth Child is an Imp! Chapter 517

Di Beiming's face was gloomy. He tried his best to focus on the competition stage and did not think about the book in Yun Chujiu's hands. However, his mind was filled with words like 'handsome man', 'harem', 'peerless beauty', 'husband', and so on. He gritted his teeth. "Black Thing, pass me the book in your hands!"

Yun Chujiu was so scared that she immediately covered the book in her arms. "What are you doing? Are you going to destroy my book again? Don't even think about it! How dare you snatch my book in broad daylight? How shameless!"

The corner of Di Beiming's eyes twitched violently. He sighed and said, "I don't want to destroy this book. I just want to check out the contents and see why you are so obsessed with this book!"

Yun Chujiu was skeptical, but she still handed the book to Di Beiming. Then, she nervously stared at Di Beiming, afraid that he would not keep his promise and destroy the book!

"It's really pretty. You'll know when you see it! When you read it, you focus on its plot and ignore the unimportant parts. I'm not interested in the fights between the goblins. I just like to read the storyline!" Yun Chujiu explained.

Di Beiming resisted the urge to burn the book in his hand. He opened it and started to read. What nonsense was this? Women were superior to men? Women could not only be the emperor but also take in more than ten male concubines?

Di Beiming could not continue reading after just two pages. He threw the book to Yun Chujiu, "Ridiculous, extremely boring!"

Seeing that Di Beiming did not destroy the book, Yun Chujiu made a victory sign in her heart. The gigolo was about to compromise! She had to find an opportunity to work harder! In the future, she would be able to openly read these kinds of books!

Di Beiming saw that Yun Chujiu finished reading the book after a short while. Then, she took out another stack from her storage ring!

“Black Thing, how many did you buy that day?”

“Not many, just a few hundred!” Yun Chujiu said with a smile.

“Di Beiming, these are all given to Little Sister Jiu by me! Girls should be pampered. I’m not like you, bullying little sister Jiu all day long! What’s wrong with reading a book? I think this is a very, very good hobby! Little Sister Jiu, you can read as much as you want. If this facial paralysis doesn’t let you, I will deal with him!” Xue Wuji saw that the relationship between Yun Chujiu and Di Beiming had eased up a little, he quickly came out to make his presence felt and at the same time to sow discord.

Yun Chujiu glanced at Xue Wuji. “Brother Wuji, thank you! It would be even better if you could be more serious next time.”

Xue Wuji was dumbfounded!

It was over! Little Sister Jiu knew that he had intentionally let it slip last time!

What should he do?

Little Sister Jiu must hate him to death!

“Little Sister Jiu, I really didn’t do it on purpose last time! I really didn’t mean to let it slip! Besides, judging from the words, it wasn’t a bad thing to begin with. I didn’t expect that Di Beiming, this expressionless man, would be so unreasonable. I immediately fell out with you!” Xue Wuji felt that his words were extremely clever, he had taken himself out and secretly tricked Di Beiming. It was killing two birds with one stone!

“Xue Wuji, I don’t care what your motive is. You have repeatedly tried to sow discord between me and the black thing. I will make your blood demon sect pay for your stupidity!” Di Beiming could not stand it anymore. If it were not for this Xue Wuji, he and the black thing would not have ended up like this. It was all caused by him sowing discord!
