

The Yun Family's Ninth Child is an Imp! Chapter 520

When the man saw the paper bag being thrown at him, he subconsciously blocked it and his face was covered with the chili paste inside. Before he could react, Yun Chujiu's rolling pin had smashed into his chest. The man screamed and fell to the ground!

When the other short guard saw this, he was about to run into the Yun mansion when Yun Chusi and the others had already reacted by surrounding the man. Yun Chujiu hit the man's knee with the rolling pin and leaped forward, holding the kitchen knife on the man's neck!

"Tell me, who are you people? Where did the Yun family go?" Yun Chujiu was burning with anxiety. Something must have happened to the Yun family. She hoped that her grandfather and the others were still alive.

"Stupid girl, if you dare to kill me, none of the people inside will live!" The short man saw that the situation was dire and said fiercely.

Yun Chujiu saw that she couldn't get anything out of him, so she slit his throat! Then, she stabbed the tall man lying on the ground!

Just as Yun Chujiu was about to speak to Yun Chusi and the others, the door opened!

In the middle of the courtyard sat a man wearing a golden mask. Yun Chujiu couldn't see through this person's spiritual power, so he must be above the second level of the spirit cultivator realm. Around him stood dozens of men in black, and half of them, Yun Chujiu couldn't see through their cultivation. The remaining people were at least at the ninth layer of the spirit enhancement realm.

Behind the man, Yun Xiaotian and the others were tied up with ropes, and their mouths were stuffed with rags. Almost everyone was wounded, and their clothes were full of blood. The only thing that made Yun Chujiu feel relieved was that none of them were dead!

“Little girl, you are indeed very crafty. You saw right through the guards instantly. No wonder someone offered 100 million low-grade Spirit Stones to take your little life! ” You killed two of us just now, in exchange, two people will pay with their lives!” The golden masked man gestured for Yun Xiaotian and Yun Chushi to be escorted to the side!

“Stop! Don’t you want my life? I’ll go with you, let these people go!” Yun Chujiu said indifferently as if this was a very small matter.

The Man in the Golden Mask was stunned. “Yo, little girl, you’re quite loyal. I thought I had to kill a few more people to force you into submission. Since that’s the case, eat this poison pill.”

Yun Chujiu took the poison pill from the man and was about to put it into her mouth when Yun Chusi and the others grabbed Yun Chujiu’s arm. “Little Jiu! You can’t!”

Yun Chujiu smiled bitterly. “Do we have any other choice?”

Yun Chusi and the others fell silent. They could not beat him. If they left, Yun Xiaotian and the others would die without a doubt. They were extremely angry at their incompetence!

Yun Chujiu played with the pill in her hand and said to the golden-masked man, “What if you don’t let me go even if I eat this poison pill?”

The golden-masked man laughed. “The biggest creed of our League of Assassins is to keep our promises. Otherwise, we would not have become the number one assassin organization in the Qing Xuan Continent. As long as you take this poison pill and follow our instructions, I promise not to hurt anyone here.”

“League of Assassins?” It sounds pretty awesome. This is a no-cost business. It must be very profitable, right? What is your business scope? How did the customers find you? Could it be that you appeared out of thin air after shouting in the courtyard that I wanted to hire a murderer? Oh right, the person who

killed me only paid you 100 million low-grade Spirit Stones? My life is worth so little!" Yun Chujiu asked curiously.

Everyone...
