

## The Yun Family's Ninth Child is an Imp! Chapter 524

Although Yun Chujiu was being chatty on the outside, she was constantly calculating the situation in her mind. If she ran away now, the murderous gang would not let the Yun family off. She could only revoke the contract when she went to the so-called employer.

However, the person who hired the murderer to kill her would inevitably attack the Yun family again. She had to think of a perfect plan! It would be great if the assassins could go into the business of protecting people!

“Aiyo, you guys are not taking such a lucrative job? Isn't this task of protecting people better than that of shouting and killing? Moreover, it is a sustainably profitable business! Go back and suggest it to your chief. Maybe your chief will reward you well!”

“Little girl, what you said makes sense. I will suggest it to our chief.” Gold Face's heart was moved. What this little girl said made sense. What was the difference between protecting people and killing people? In the end, it was all for the sake of making money.

“Really? That's great! If your League of Assassins can accept the business of protecting someone, you must tell me! I will be your first big client!” Yun Chujiu's eyes sparkled as she said happily.

The corner of Gold Face's mouth twitched slightly. You are about to die, alright? The first one to tell you?! Do we burn paper offerings to contact you?!

“Alright! Let's get down to business! What did you say about Peak Master Yuan having an illegitimate daughter just now?” Gold Face asked.

“Hmph! That Peak Master Yuan usually looks like a gentleman, but my fiery eyes still discovered something fishy! That Zhuo Piaoyu is his illegitimate daughter!” Yun Chujiu said angrily, she thought to herself, ‘Peak Master Yuan, Peak Master Yuan, I'm so sorry! Who asked you to spoil Zhuo Piaoyu's so much? I can only ridicule you!’

Gold Face took out a jade slip and after flipping through it, he frowned. "That's not right. Zhuo Piaoyu is the biological granddaughter of the Zhuo family's patriarch. How could she be Peak Master Yuan's illegitimate daughter?"

"Tch! Of course, you have to cover up such things! If you did something wrong, would you make a big fuss about it? Unless that person is stupid!" Yun Chujiu pouted.

"Then how did you come to know of such a secret?" Gold Face was skeptical.

"I have to start from Zhuo Piaoyu, that little b\*tch, being jealous of my beauty..."

Everyone...

Are you shameless?!

Who didn't know of Zhuo Piaoyu from the Linghua sect, the famous beauty in the Qing Xuan continent. You?! Although her facial features were okay, her small body was like a bean sprout, and she was crazy. Why would Zhuo Piaoyu be jealous of you?!

"Aiyo, look at your expressions. You don't believe me. You know Feng Ming, right? In fact, that little b\*tch Zhuo Piaoyu likes senior brother Feng Ming, but senior brother Feng Ming always played cards with me. Not just him but Geng Yi and Shi Xuan too. Thus, that little B \* Tch Zhuo Piaoyu repeatedly framed me!"

"How could such a smart and intelligent person like me fall into her trap?! Not only did she fail to set me up, she even lost a bet with me. The result of losing the bet was that she had to voluntarily give up the qualifications to be a successor disciple!" continued Yun Chujiu.

"Thus, Peak Master Yuan shamelessly came looking for me! Using both carrot and stick, I didn't compromise! In the end, he cried and told me that Zhuo Piaoyu was his illegitimate daughter and

begged me to let Zhuo Piaoyu go this time! I'm just too kind, so my heart softened and I didn't pursue the matter further. Otherwise, that Little Bitch Zhuo Piaoyu would have long been demoted to an inner sect disciple!" Yun Chujiu said passionately.
