

The Yun Family's Ninth Child is an Imp! Chapter 534

Just as Gold Face was feeling disheartened, he saw streaks of purple lightning striking the formation plate once again! From the looks of it, it seemed to be more concentrated than before!

Gold Face was overjoyed. The little girl was actually not poisoned to death. It seemed that she was indeed quite capable!

However, the Purple-striped Venomous Python was enraged out of humiliation. It kept spitting poisonous fog toward the top of the formation plate!

Yun Chujiu could not help but be secretly happy. 'You stinky worm, you actually want to poison me to death. Dream on! Strange grass could not be happier to swallow the poisonous mist now! It would be better if you spit more!'

This broken array was really sturdy. She just broke a small part of it even after striking it for such a long time. Forget it! It was better for her to take the Spirit Stones inside first and assess what to do after.

Yun Chujiu lowered the defensive spirit tool on her body and started to take the Spirit Stones in the groove.

The Purple-striped Venomous Python felt that its tail was in the way. A trace of cunningness flashed through its cold vertical pupils. It suddenly turned around and opened its mouth toward where Yun Chujiu was!

Yun Chujiu smelled a stench and hurriedly dodged to the side. Several of the defensive spirit tools on her body were shattered in an instant!

Yun Chujiu's heart ached so much that she could not take it anymore. 'Damn you, you stinky bug! I went through a lot of trouble to get these. You actually destroyed a few of them. Just you wait, Little Black will take revenge. Even ten years is not too late. Sooner or later, I will strike you into a dried python!'

“Master, I will go out and lure this stinky bug away!” Little Black said with his spiritual sense.

“No, it can spray poisonous fog. You can’t withstand it! It’s okay. There are only a few Spirit Stones left in this groove. I will get them out!”

Yun Chujiu was about to take the remaining Spirit Stones when a huge fireball headed toward her. “Little slave girl, I didn’t expect you to have such a good tool like a concealment talisman! Unfortunately, this thing is useless to me! As long as you obediently come over and submit to me, I’ll spare your life. Otherwise, I’ll feed you to the Purple-striped Venomous Python.”

The murderous alliance leader said as he kicked Gold Face, who was already poisoned by the python, to the stone wall at the side. He screamed and fell to the ground. No one knew whether he was still alive or not.

There were still three Spirit Stones left and Yun Chujiu would be done. She did not expect this old bastard to come in at this time. What bad luck!

“F*ck you, you old pervert! Old bastard! Go to hell!” Yun Chujiu waved her hand and a series of purple lightning struck the alliance leader.

He dodged the lightning bolts and laughed evilly, “Oh, it’s a heavenly Thunder Root Spirit! I can use it as a furnace! Little girl, you can’t escape from me!”

The alliance leader said as he slapped Yun Chujiu several times. The huge fireballs kept hitting Yun Chujiu.

Yun Chujiu wanted to dig out the remaining three Spirit Stones, but the formation plate was covered by the python’s huge body. She had no way to take out the Spirit Stones.

Yun Chujiu was now facing enemies from both sides. Needless to say, the leader of the League of Assassins was also gradually able to lock onto Yun Chujiu's position with the scent of the damned python. When it saw that the poisonous fog was ineffective, it began to sweep with its tail.

Fortunately, Yun Chujiu had countless defensive spirit tools on her. Otherwise, she would have died a long time ago! Even so, with the passage of time, Yun Chujiu's defensive spirit tools dwindled, but the python and the leader of the League of Assassins were unharmed!

"Little girl, you do have a lot of good tools on you, but you won't be able to hold on for much longer. Quickly come and beg for mercy! I will definitely dote on you!" The leader had a lewd look on his face. Initially, he had only seen this little girl's delicate skin, but he did not expect her to have the heavenly Thunder Root Spirit. What a pleasant surprise!
