

The Yun Family's Ninth Child is an Imp! Chapter 540

"Hey, what are you trembling for? I'm very kind. Besides, I didn't scold you. This is the first time I'm meeting you! Let's discuss something, shall we?" Yun Chujiu raised her head and said with a smile.

No matter how the dark cloud looked at Yun Chujiu, she looked like a little devil with horns on her head. The more it looked at her, the more Yun Chujiu's smile became increasingly frightening! The dark cloud trembled even more violently!

Yun Chujiu took out the Phoenix Nirvana Immortal Handkerchief and tied it on her head. Then, she hooked her finger at the dark cloud in the sky. "You're too timid. I didn't even threaten you. What are you afraid of?! Well, aren't you here to strike people? You can strike anyone. Just strike My Prince Charming once, and keep the rest for me!!

"Aren't you curious why the other clouds can't strike me to death? Don't you want to give it a try?! When you see other clouds in the future, you'll have a common topic to talk about, right?! What if you, Little Cloud, succeed in striking me to death? Come on, don't be polite. Strike me to your heart's content!"

The dark cloud in the sky was indeed stirred up by its competitive spirit. 'The little girl is right. If I don't give it a try, how would I know if it works? I don't believe that there's actually someone who can't be hacked to death!'

Boom! Boom!

Several bolts of lightning struck Yun Chujiu!

Yun Chujiu could not help but twitch her lips. These bolts of lightning were too thin! They could not be compared to the ones that struck her! The damn heavens really wanted to kill her that time!

When the guards brought by Di Beiming saw several bolts of lightning heading straight for Yun Chujiu, they thought to themselves, it's over! This little girl will definitely be turned into ash! It was strange. Why did their Revered Lord act as if nothing had happened at such a critical time, and did not even help the little girl?!

After a moment, the bodyguards were dumbfounded. They saw that the little girl was not only unharmed, she was even more alive after being struck!

"Little Dark Cloud, you are indeed much weaker than the other clouds. This strike of yours is like scratching an itch. Did you drift over without having lunch? Or are you the most useless of all the dark clouds?" Yun Chujiu said disdainfully.

The dark cloud in the sky was trembling. 'No wonder those clouds say that this little scourge can anger the clouds to death. This is a lesson. I don't believe in evil anymore. I must kill her today! Hack! Hack! Hack! Strike! Strike!'

A quarter of an hour later, the dark cloud shivered and floated away!

'This baby is so bitter! This baby was tricked! I used all the thunder to hack Yun Chujiu, this scourge! I've totally forgotten about my mission and why I was there in the first place! This baby wants to die, so no one stop me!'

Yun Chujiu clapped her little hands and hugged Di Beiming's waist. "Prince Charming, how is it? It's done! I did good, right?!"

Yun Chujiu had a look that said, 'Praise me! Praise me!'

Di Beiming's heart softened, but when he saw the trace of blood at the corner of Yun Chujiu's mouth, his face turned cold again!

“Black Thing, come with me. I have something to say to you!”

Yun Chujiu followed Di Beiming and left, leaving behind a group of confused guards!

‘Oh my God!

‘That little girl’s hands were dirty, and she left two black marks on our Honored Lord’s clothes. Our Honored Lord actually did not shake off that little girl?

‘Originally, we already felt that things were abnormal when our Lord wanted to save a little girl. We didn’t expect that our Lord would finally be enlightened!

‘Heavens, who said that our Lord was gay?! Who said that our Lord was a good man?!

Open your damn eyes, our Lord likes women!’
