

## The Yun Family's Ninth Child is an Imp! Chapter 544

When Yun Xiaotian saw that Yun Chujiu had returned unscathed, he wept and said, "Good! Good! Little Jiu is still alive. The heavens really have eyes!"

When Yun Chujiu saw that Yun Xiaotian had aged so much in one night, her heart ached. "Grandfather! It's all Little Jiu's fault. I will not be naughty in the future. I will cultivate well so that no one will dare to bully our Yun family! I will also find my father and mother to come back and show respect to you!"

When Yun Xiaotian heard Yun Chujiu's words, he hugged Yun Chujiu and cried bitterly.

"Master, Miss Jiu is back. You should be happy. Besides, there are still guests here!" Housekeeper Ji consoled.

Yun Xiaotian used his sleeve to wipe his tears. Only then did he realize that an imposing young man was standing at the door, so he asked Yun Chujiu, "Little Jiu, this is?"

"Ah, this is my man, my master. He was the one who smashed several doors of our Yun family!" Yun Chujiu's face turned slightly red and revealed a rare shy side to her.

Yun Xiaotian was slightly stunned. "Little Jiu, I remember that you told grandfather that your master is very ugly. He has scarred eyes, a nose like garlic, and a toad's mouth. This young man is so handsome, how could he be your master?"

Yun Chujiu wanted to stuff Yun Xiaotian's mouth shut. Grandfather, you are trying to kill me! The Pretty Boy will not let me off this time!

Di Beiming raised his eyebrows and secretly gritted his teeth. Very good, Black Thing, just you wait. You are not afraid of getting even with me. I will deal with you later!

Yun Chujiu quickly made up for it. “Grandfather, are you old and have a bad memory? I clearly said that my master is handsome, beautiful, and looks better than Pan Yue!”

Yun Xiaotian saw that Yun Chujiu’s eyes were twitching, and he laughed dryly, “Ah, yes! Yes! My old bones have such a bad memory. Young master, don’t take it seriously!”

Di Beiming bowed to Yun Xiaotian as a junior and said with a faint smile, “Senior, there’s no need to worry. I know Little Jiu’s character very well. I won’t blame her.”

Yun Xiaotian glanced between Di Beiming and Yun Chujiu and immediately understood the relationship between the two of them. What bullsh\*t! Were the two of them getting together?

“Grandfather, it’s all thanks to this man. Ah, the Young Master Di saved me. Otherwise, I really wouldn’t have been able to see you!” Yun Chujiu quickly changed the topic.

Yun Xiaotian saw that Yun Chujiu showed a rare look of a shy little girl and didn’t expose her, so he asked about the incident.

Yun Chujiu was very excited as she told Yun Xiaotian about what happened. In short, she pushed all the credit to Di Beiming and simplified the things that she had gone through so that Yun Xiaotian would not be worried.

Yun Xiaotian heard Yun Chujiu’s words and had a very good impression of Di Beiming. Not only was he a good-looking person, but he was also very good to Little Jiu. He could try to matchmake them.

“Grandfather, I’ve thought about it. You should move the Yun family to Linghua City. You don’t have to worry about the expenses. I have plenty of Spirit Stones now! Firstly, the spiritual Qi is much denser than Ye City. Secondly, it’s in Linghua sect territory. It’s also safer there. Most importantly, it’s close. My brothers and sisters can often go back to see you!”

“Well, what you said makes sense, but the old house is left behind by our ancestors after all...”

“Grandfather, at most, we can leave a few servants to guard it. We’re not selling it. If you want to come back and take a look, I’ll stay with you for a few days.”

“Let grandfather think about it again. You haven’t had lunch yet, right? Let’s have lunch first. Tomorrow, grandfather will make my decision.”
