

The Yun Family's Ninth Child is an Imp! Chapter 549

Yun Chujiu immediately became listless. She pouted and said, "You have to praise me for my good performance, right? If you continue to hit me like this, I will lose my confidence!"

Di Beiming snorted coldly and ignored her!

Di Beiming thought to himself, even if all the people in Qing Xuan continent had lost their confidence, you would not! Your self-confidence is limitless!

Seeing that Di Beiming ignored her, Yun Chujiu cursed Wu Yun dozens of times. Seeing that the dark clouds in the sky had already floated over, she hopped towards the back mountain of Zhong Feng.

Di Beiming was worried, so he followed her.

"Prince Charming, don't worry. I'm used to being struck by lightning. Even if I don't get struck every other day, I still feel like I'm lacking something." Yun Chujiu said with a smile.

Di Beiming was not too nervous. Seeing that Wu Yun was not too heavy, he probably just wanted to leave after a few strikes.

Yun Chujiu looked up. Wasn't this the Wu Yun that helped her to fight the fake league leader?

She waved her hands at the sky with a smile. "Hey! Little Wu Yun, long time no see! Did you miss me? I missed you a lot!"

The dark clouds in the sky shook slightly, as a greeting to Yun Chujiu.

“Come on, Little Wu Yun, strike me! You know that I’m a little scourge that can’t be killed by chopping. You don’t have to waste your energy. Just strike me a few times as a token! You should go back as soon as possible after chopping me. You might be able to make it in time for lunch!” Yun Chujiu stood there casually, “Wu Yun!” She said to the dark clouds in the sky.

The dark clouds in the sky had already formed a friendship with Yun Chujiu. As expected, they just casually struck Yun Chujiu a few times and floated away!

The corner of Di Beiming’s eyes twitched. Could This Wu Yun have been infected by something?! It’s a perfectly fine cloud. If you don’t float away, why are you still jumping up and down?!

“Tsk tsk, this is indeed a familiar cloud that’s easy to handle. It’s done so easily! In the future, as long as this little Wu Yun comes to attack me, won’t I be able to do it so easily every time? Aiya, it seems that if other clouds come to attack me in the future, I have to have a good relationship with them too! Prince Charming, guess how many levels I’ve leveled up this time?”

Yun Chujiu asked proudly. Damn, my efforts have finally paid off. All these days of suffering had not been in vain!

“Two levels?” Di Beiming raised his eyebrows.

“Tch! Can a genius like me be so weak? Three levels! I am now at the seventh layer of the spirit cultivator realm! Ha...”

Yun Chujiu’s words came to an abrupt stop. Her eyes rolled and she actually fainted!

Di Beiming was shocked and quickly grabbed Yun Chujiu’s waist. Yun Chujiu’s face turned extremely pale, and it was as if all of her life force had suddenly disappeared!

Di Beiming's eyes were blood red. He trembled as he placed his hand on Yun Chujiu's pulse. Fortunately, although Yun Chujiu's pulse was very weak, she was still alive!

Di Beiming was helpless at this moment. He had already given Yun Chujiu the only Chaos Vitality Pill he had last time. Although he had a lot of pills with him, he was afraid that the medicine would not be right and would end up harming Yun Chujiu!

Di Beiming carried Yun Chujiu like a madman and went to find Elder Qi. Elder Qi, who was studying the antidote of the League of Assassins, was shocked. After checking Yun Chujiu's pulse, his face turned pale. "She is neither poisoned nor injured, but the life force in her body is fading rapidly. I'm afraid she won't last for more than three days!"

After receiving the news, Master Xuanyuan rushed over with a group of elders. Although everyone was anxious, they could not find the reason why Yun Chujiu suddenly fainted.
