

The Yun Family's Ninth Child is an Imp! Chapter 555

After a long while, Di Beiming finally raised his head, but his eyes were slightly red. It seemed that he did not want Yun Chujiu to see him cry.

Yun Chujiu's nose was sore. She sat up and hugged Di Beiming's neck. "Sob sob! Prince Charming, I thought I would never see you again! I thought I was going to be taken over by that strange grass!

"Sob sob, that damned strange grass is really a supercilious grass! If I didn't threaten it to cut its belly, that bastard wouldn't have let me come back!

"Sob sob, if it wasn't for Little Mirror helping me teach it a lesson, that damned strange grass might not really have let me back into the body. That black-hearted bastard!

"Sob sob, the thing I regret the most is that I choked on my fart before I managed to pounce on and defile you! If I die, it will definitely benefit some coquettish b*tch!"

Di Beiming glared at her, "What nonsense are you spouting?! You won't die! I'll find a way to help you get that grass out of your body sooner or later!"

Yun Chujiu saw Di Beiming's slightly red ears and said with a smile, "Prince Charming, are you shy?"

Di Beiming looked at Yun Chujiu's smiling face with tears still hanging on it and hugged her, covering his lips with hers!

Yun Chujiu's head exploded like thousands of fireworks blooming in the night sky. 'Since when did the gigolo become so whiny?! Hehe, but I like it!'

The two of them lingered on each other's lips for a long time. Yun Chujiu rolled her eyes and started to play dirty tricks. 'Gigolo, I'll give it to you today.' Bang! She pounced forward. Since Di Beiming was

kneeling on the ground and Yun Chujiu was sitting on the bed, Di Beiming was instantly pushed to the ground by Yun Chujiu!

Di Beiming was about to get up when Yun Chujiu hugged Di Beiming's face and kissed him!

"Young Master Di! I heard that Little Jiu is awake? Little Jiu, we came to see you... Ah, cough cough! I didn't see anything, my eyesight hasn't been very good recently!"

When Elder Qu, Master Xuanyuan, and the others heard that Yun Chujiu was awake, they could not wait to visit her. Who would have thought that they would see Yun Chujiu the moment they entered the house..

Oh God, was this the same person who was so sick that she was about to die?! She was just a perverted little wolf, was she not?!

It was really too much to see!

They could not bear to look straight at her!

Di Beiming's face instantly turned red! No matter how thick-skinned Yun Chujiu was, the moment she was exposed, her face also turned slightly red!

However, this fellow's skin wasn't something that an ordinary person could compare to. After a moment of embarrassment, he calmly said,

"Prince Charming, quickly get up! Don't be so careless in the future. If you didn't fall and I didn't have to help you, would I have fallen? I've just recovered from a serious illness, and my body is weak as it is. This fall makes my head feel dizzy!"

After saying that, she got up and laid on the bed, pretending to be dead!

Poor Di Beiming stood up with a red face. He did not even dare to look at Master Xuanyuan and the others. He wished that he could strangle Yun Chujiu who was pretending to be dead on the bed!

Master Xuanyuan quickly said, "Well, since Little Jiu is feeling dizzy, let's visit her another day! I have something to do anyway. Goodbye!"

"AH, yes! Yes! I also have something to do!"

"Me too! Goodbye!"

...

Master Xuanyuan and the others left in a flash. Di Beiming said to Yun Chujiu fiercely, "Black Thing! Very good! You sold me out at a critical moment! I must punish you well!"

Yun Chujiu jumped up from the bed and rushed out of the room. "Well Prince Charming, I'll go back to the dormitory first! See you later!"
