

The Yun Family's Ninth Child is an Imp! Chapter 570

Yun Chujiu was so angry that she gritted her teeth. "Senior Brother Bird Boy! Get lost! Our friendship is over! The boat of friendship has completely capsized! We'll never see each other again!"

Senior Brother Bird Boy?

Shi Xuan and Geng Yi were stunned at first, then they laughed so hard that tears were about to come out.

"Junior Sister Jiu, you're too talented! Bird Boy? Hahaha, doesn't Feng Ming mean Phoenix song? Feng Ming, I didn't expect your name to mean this."

"Feng Ming, we'll just call you Bird Boy from now on! hahaha! Damn, this is so funny!"

Feng Ming felt that if he could go back in time, he would not reveal that Yun Chujiu's hair was struck bald. Offending this little gremlin was simply asking for trouble!

Seeing Feng Ming's face full of despair, Yun Chujiu felt a little better. Being struck bald by lightning was a dark moment in her history. Whoever dared to mention it in the future, she would definitely kill them!

Feng Ming laughed dryly. "Junior Sister Little Jiu, senior brother was agitated for a moment. Cough cough, I said the wrong thing. This... Senior Brother Bird Boy, stop calling that alright? Otherwise, my painstakingly created image of being a virtuous person will be completely ruined."

Yun Chujiu curled her lips. Why were the people around her so narcissistic?! The Pretty Boy, Black Chicken Head, and Senior Brother Bird were all shameless people. Why couldn't they keep a low profile like her?!

“Junior Sister Xiao Jiu, don’t bother with Bird Boy. Answer our questions quickly. Why can you release lightning without forming a seal?” Shi Xuan looked curious.

Yun Chujiu shrugged her shoulders and spread her hands. “I don’t know either. Maybe it’s because of the Heavenly Lightning Spirit Root!”

“Junior Sister Little Jiu, those six hours of lightning strikes at the back of the Middle Peak. Did they hit you? How did you withstand it?”

“Yes, heaven didn’t like me, so he wanted to kill me. Unfortunately, I’m still alive and kicking after being struck by lightning. Isn’t that annoying? Hehe!” Yun Chujiu giggled as she spoke.

Originally, Feng Ming and the other two felt a sense of distance from Yun Chujiu when they saw that her talent was so heaven-defying. However, when they heard Yun Chujiu’s shameless words, they immediately felt that no matter how heaven-defying her talent was, she was just a little girl who jumped around! Thus, that sense of distance dissipated.

Yun Chujiu picked and chose to answer their questions. Then, she secretly adjusted her spiritual power back to the eighth-level of spirit enhancement.

The corners of Feng Ming and the other two’s eyes twitched. This girl was really cruel. She was a classic case of someone pretending to be a pig to eat a tiger. Anyone who provoked her blindly was simply asking for trouble!

The four of them discussed for a while. The probability of them being able to dig out rare ores was too low, so they decided to bypass this mine to find another one.

“F*ck! The quality of the ore here isn’t that good, but the mine is really big! We’ve already walked for almost a day, and we still haven’t seen the end.” Yun Chujiu complained.

Feng Ming and the other two didn't have the energy to complain anymore. This Junior Sister Little Jiu seemed to not know fatigue and had been skipping around in front of them. They were too embarrassed to say that they were tired, so they could only endure the pain. Their bodies were about to fall apart. As expected, a Heavenly Spirit Root wasn't something that ordinary people like us could compare to.

"It's not a good idea to go on like this. I'll climb to the top of the mountain to take a look. If it's possible, let's climb over." Yun Chujiu sought the opinions of Feng Ming and the other two.

"Little Sister Jiu, the surface of this mine is too smooth. I'm afraid it's not that easy to climb!" Feng Ming said with some worry.

"It's okay. I have a secret weapon! You guys just wait and see!" Yun Chujiu said slyly.
