

The Yun Family's Ninth Child is an Imp! Chapter 577

"That's right, Yun Chujiu! You're just a burden! If I were you, I would just hit my head against the wall and die! Shameless!" Wu Yanyu's face contorted as she agreed. 'Why is she being protected in the middle while we fight to the death? This isn't fair!'

Yun Chujiu smiled sweetly at them. "What you guys said makes sense. You should do your own things. It's not right for me to do this, but I'm just that shameless! What do you guys want?"

Feng Ming and the other two stumbled and almost got bitten by the mine wolves. Yun Chujiu glared at them. "You have to focus when you're fighting the enemy. Your ability to resist interference is too weak. Be careful in the future."

Feng Ming and the other two really wanted to turn around and strangle her to death, but they did not know what she was planning. They could only continue to kill the mine wolves silently.

As time passed, the pack of mine wolves gradually gained the upper hand. Zhuo Piaoyu wanted to use the explosive talisman a few times, but when she saw Yun Chujiu being protected tightly, she gritted her teeth and put it back. After a while, Senior Brother Feng Ming and the others could not hold on any longer. Naturally, they would give up protecting Yun Chujiu. When Yun Chujiu died, she would then take out the explosive talisman.

At that moment, Yun Chujiu giggled. "You guys are almost done fighting. It's time for me to stretch my legs! Senior Brother Feng Ming, you guys move aside. Leave the twenty over mine wolves to me!"

Zhuo Piaoyu and the others sneered. 'This Yun Chujiu is practically crazy, and she expects them to hand it to her?! In less than fifteen minutes, you would be eaten by the mine wolves until there's nothing left! Damn it! It would be good if she just died!'

Boom! Boom!

Yun Chujiu was about to show off her power and blind Zhuo Piaoyu and the rest when the sky suddenly rang with the sound of thunder.

Following the sound of thunder, several bolts of lightning struck down from the sky.

Yun Chujiu subconsciously thought that it was the lightning that struck her, but she realized that these bolts of lightning were silver in color and struck very casually. They were not coming for her—it was just a thunderstorm.

However, the lightning shocked the wolf pack. Feng Ming and the others seized the opportunity and repelled them.

Yun Chujiu sighed regretfully. “It seems that they didn’t give me a chance to attack. What a pity!”

Zhuo Piaoyu and the others were so angry that they gritted their teeth. What did it mean to benefit from something but to pretend otherwise? What did it mean to be shameless? She was!

At that moment, Yun Chujiu took out a self-made waterproof tent from her storage ring. “Senior brothers, quickly come in and take shelter from the rain! The people outside should also quickly find a place to take shelter from the rain. Otherwise, if someone does something wrong, they might be struck by lightning!”

Following Yun Chujiu’s words, a bolt of heavenly lightning coincidentally struck not far away. Zhuo Piaoyu’s expression suddenly changed, and she quickly found a protruding rock to take shelter from the rain.

When the lightning struck, Wu Yanyu happened to see Zhuo Piaoyu’s terrified expression. Her heart moved. Could it be that Yun Chujiu, that trash, was telling the truth? Did Zhuo Piaoyu do something wrong? Could it be that the steamed bun that day was really poisonous?

Wu Yanyu was a person who had evil intentions but no guts. She was very good at bluffing, but when it came to the real thing, she retreated. She did not expect Zhuo Piaoyu to really poison Yun Chujiu. Looking at Zhuo Piaoyu's sinister expression, her heart was somewhat creeped out.

Wu Yanyu thought of the beautiful snake that Yun Chujiu had mentioned. No matter how she looked at it, she felt that Zhuo Piaoyu's eyes were full of malice. She secretly made up her mind. After returning this time, she had to stay away from Zhuo Piaoyu no matter what. Who knows when she would be harmed. It was really too scary.
