

The Yun Family's Ninth Child is an Imp! Chapter 580

Zhuo Piaoyu stared at Wu Yanyu as if she had been poisoned. Wu Yanyu shrunk her neck and stammered, "I... I said... I will abide... I will abide by Senior Brother Feng Ming."

Zhuo Piaoyu went forward and slapped Wu Yanyu. "Have you lost your mind?! I will make you clear your mind!"

Wu Yanyu covered her face. She could not believe that Zhuo Piaoyu would slap her in public. Was this still the Zhuo Piaoyu who was known for her gentleness and kindness?

Lu Shi and the other two did not expect Zhuo Piaoyu to actually make a move just like that. They were shocked by the viciousness on her face.

Zhuo Piaoyu also felt a little regretful after the beating. She immediately put on an angry expression and said, "Junior Sister Wu, I'm sorry. This is an important matter. I was afraid that you made the wrong decision at that moment. I was really too anxious just now, so I hit you. You understand, right?"

At that moment, the more Wu Yanyu looked at Zhuo Piaoyu, the more frightened she felt. She did not dare to talk back. She shook her head and then lowered her head without saying a word.

"Senior Brother Feng Ming, the time is almost up. If you can't bear to do it, move aside. I'll be the villain." Zhuo Piaoyu had already torn off her usually gentle and kind mask. Since they have arrived at that juncture, then Yun Chujiu must be killed.

Feng Ming Protected Yun Chujiu behind him. "Zhuo Piaoyu, I was blind in the past. I thought you were gentle and kind. You're vicious! You actually betrayed your fellow disciples for your own safety. Get lost! Don't even think about touching Junior Sister Little Jiu!"

Ding Lang gave Lu Shi and the other two a look when he saw this. The four of them suddenly attacked Feng Ming!

Seeing this, Geng Yi and Shi Xuan quickly protected Yun Chujiu in the middle with Feng Ming. “Are you guys rebelling?!”

Ding Lang said viciously, “We only want Yun Chujiu’s life. You guys get out of the way quickly, or don’t blame us for not letting you off either!”

Ding Lang was furious. None of these people were good. They had always been in the limelight, so it was good to take the opportunity to kill them all. ‘When the time comes, I will put the blame onto Heavenly Gates Sect, and the number one successor disciple of the Spirit Radiance Sect would be me, Ding Lang.’

Su Yanran looked at the internal strife within the Spirit Radiance Sect, and a disdainful sneer appeared on her face. She did not expect that with just a few words of provocation, Zhuo Piaoyu, this idiot, would really make a move. Very well. Even if Zhuo Piaoyu and the others were not Feng Ming’s match, she would help Yun Chujiu one last time. Yun Chujiu must die.

“Stop! Stop fighting! I have something to say,” Yun Chujiu shouted loudly.

Zhuo Piaoyu took a step back and said with a sneer, “Yun Chujiu, what do you have to say? Are you going to commit suicide? How would a shameless b*tch like you sacrifice yourself to help us?!”

“That’s right. In order for you to live, I will commit suicide!” Yun Chujiu said lightly.

“Junior Sister Jiu, are you crazy?! Don’t worry, we will not hand you over,” Feng Ming roared.

Shi Xuan and Geng Yi also said, “That’s right! Junior Sister Jiu. At worst, we’ll just fight it out. Killing one is to break even, killing two is to profit.”

Yun Chujiu shook her head. "Zhuo Piaoyu is right. I can't be so selfish. I can't harm you guys just because of me! Ding Lang, don't you have a poison pill on you? Give me one. I'll take it and kill myself. At least my corpse will be whole."

Ding Lang's eyes flickered. He took out a pill from his storage ring and handed it to Yun Chujiu. "This is the Seven Kill Pill. Once you take it, you'll die immediately."

Yun Chujiu took the pill and said to Su Yanran, "Su Yanran, if I take the poison and commit suicide, you won't go back on your word, right?"

Su Yanran sneered. "Who knows if you're acting?! You can take the poison and commit suicide if you want, but take this poisonous feather pill as well."
