

## The Yun Family's Ninth Child is an Imp! Chapter 582

Following Su Yanran's orders, all kinds of spiritual power attacks were launched at Yun Chujiu. Fireballs, wind blades, and water arrows all flew toward Yun Chujiu's back.

Yun Chujiu was so angry that she was about to explode!

Damn it!

How could that little b\*tch, Su Yanran, have such a good treasure? It actually allowed her to see through the concealment talisman! If she had the chance, she would definitely steal it!

Little Black was almost about to cry from her master's stupidity. What the f\*ck was going on? Why are you still thinking about treasure? Hurry up and run for your life!

Fortunately, Yun Chujiu had a lot of defensive spiritual artifacts on her. Most of them were shattered, and she finally climbed to the top of the mine. She waved at Su Yanran. "Beauty Su, I'm not playing with you anymore. You can play by yourself! See you later! hahaha!"

Su Yanran was so angry that her face turned green. She jumped up and was about to climb up the stone wall to chase after Yun Chujiu, but because the stone wall was very smooth, she kept slipping. Moreover, this ancient mine prohibited flying, so she could not fly on her sword.

"Junior Sister Su, what should we do next?" A male disciple from the Heaven's Gate sect asked.

"Use tools to cut out grooves in the stone wall. We'll climb up! I don't believe that we can't catch her. If we meet anyone from the Linghua sect, we'll capture them and use them as a hostage. I want to see if Yun Chujiu will leave anyone behind." Su Yanran secretly hated her own carelessness! Next time, she would directly chop off Yun Chujiu's head and see what other tricks she could play?! However, it was really strange. Why wasn't she poisoned to death?! She must have done something. This b\*tch was really treacherous!

Yun Chujiu originally wanted to wait for Su Yanran and the others to leave before secretly making her move. She didn't expect that Su Yanran would actually be prepared to climb up and chase after her. She could only run all the way south.

"Aiya, I originally thought that this concealment talisman was pretty useful. I did not expect it to not be omnipotent, but it can be discovered by those above the fifth level of the spirit sovereign realm. What a useless thing!"

"Zhuo Piaoyu, Ding Lang, and those b\*stards. When I return to the Linghua sect, I will not let any of them off!" She originally thought that it would be too beneath her to argue with trash like them. She did not expect that they would take advantage of her! "That Wu Yanyu is still alright. She is not rotten to the core. When the time comes, I will just let her go."

"Little Black, why are you a bird? If you were a Scarlet Tiger, Gale Wolf, or something like that, would you be able to carry me and run? Once we arrive at the training grounds, we will be banned from flying. There is no place for you to be useful!"

Yun Chujiu grumbled as she ran, and Little Black was unhappy. "Master, there is no way you can defeat a beast like this! I am clearly a bird. Even if you make me turn into a tiger, I will not be able to change. Why don't you take in more beasts that can only be ridden? Just let me die of grief. Sigh, how did I end up with such a cruel master?"

The corner of Yun Chujiu's eyes twitched. "Alright! Alright! I said the wrong thing! However, if there's a chance, I really have to tame a demonic beast that can be ridden. When the time comes, you can also take a ride! Elder Xiao's tiger isn't bad, but its level is a little low. Why don't I return to the Linghua sect and pick one out of the few Mighty Elephants? However, they're a little big, so they move too slowly."

Little Black curled its lips and scoffed at Yun Chujiu. She spoke as if it were an easy thing to do. The Mighty Elephants had a violent temper, so it would be strange if they could recognize her as their master.

However, this master of his was very cruel. Perhaps he would be able to find a good Mount Demon Beast. When that time came, he would also be able to show off!
