

## The Yun Family's Ninth Child is an Imp! Chapter 585

Feng Ming said with a bitter face, "Junior Sister Little Jiu, this Ancient Mine is very spacious. We can see a distance of more than ten miles at a glance. Where can we hide?!"

Yun Chujiu was also frowning. Where can we possibly hide? It would be great if we could drill into the ground!

Squeak! Squeak!

A small black beast drilled out from the ground and kept calling to Yun Chujiu.

Yun Chujiu's eyes lit up. Isn't this the black rat that I saved a few days ago? What is it trying to do?

"Mickey Mouse, what are you calling me for? The little b\*tch chasing us wants to kill us. We have to run for our lives so we can't play with you anymore." Yun Chujiu didn't care if Little Black Rat could understand her or not.

The corners of Feng Ming and the other two's eyes twitched. What or who the hell was Mickey Mouse?!

Little Black Rat cried out even more anxiously. When it saw that Yun Chujiu was still running forward, it anxiously raised its hind legs and used one of its claws to point to the west. Then, it used its two front claws to hold its head.

Yun Chujiu blinked her eyes. "You mean there's a good place for us to hide?"

Little Black Rat nodded desperately and squeaked excitedly.

Feng Ming and the other two were amazed!

“F\*ck! Isn’t the tailless stone-eating rat a level three demon beast? How can it be so smart? It can even understand human language?” Geng Yi said in disbelief.

Feng Ming’s eyes lit up. “Junior sister Little Jiu, since we have nowhere else to go, why don’t we follow this Little Black Rat!”

Yun Chujiu nodded and said to Little Black Rat, “Mickey rat, lead the way!”

Little Black rat quickly ran up while Yun Chujiu and the others followed closely. Little Black Rat took a few turns and brought the four of them to the front of a mine.

Then, Little Black Rat burrowed into the ground through a small hole.

Yun Chujiu’s nose almost went crooked from anger!

You actually burrowed in the ground? Are we also rats that can burrow with our physique?!

Feng Ming and the other two were also dumbfounded. They were originally full of hope, but now it felt like a basin of cold water had been poured on them. It was the same kind of water filled with ice cubes, it was too depressing.

“Mickey Mouse, get out here! Are you f\*cking kidding me? Do you think that we have the same small body or digging abilities as you?!” Yun Chujiu was so angry that she twitched.

As soon as Yun Chujiu finished her sentence, the stone wall in front of them slowly rose, and Little Black Rat began to squeak from the inside.

Yun Chujiu's eyes immediately lit up, and she quickly brought Feng Ming and the other two inside. Before Yun Chujiu went in, she used an elongated rolling pin to pull up the gravel within a few feet, removing the traces left by the four of them.

Feng Ming and the other two looked at each other. They were very impressed by Yun Chujiu's sharp mind. Even at this time, she could still think of these minor details. Junior Sister Little Jiu was indeed smart.

After Yun Chujiu entered, Little Black Rat leaped up to a height of six feet. Its front paw pressed on a protruding spot, and the stone wall slowly fell again.

Squeak! Squeak!

Little Black led the way, and the four people followed it all the way. Yun Chujiu looked at it as she walked. This should be a man-made tunnel, and no one knew where it led to.

The four of them followed Little Black Rat for a full hour. When they encountered another thick stone wall, Little Black Rat went in through a small hole and opened the way.

They had gone through nine stone walls when the scene in front of them suddenly changed. It was so dazzling that it made them dizzy.
