

The Yun Family's Ninth Child is an Imp! Chapter 586

"Oh my God! Yanxia! Zhuyu! Yanqing! Furong! Oh My God, these are all high-grade ores!" Geng Yi exclaimed.

"How can there be so many valuable ores here?! It seems like they were transported from somewhere else and not originally found here." Shi Xuan picked up a piece and looked at it.

"Could this be a warehouse or something from the past? Look, we have passed through nine stone walls. The thickness of the stone walls is abnormal. An ordinary person would not be able to set up such a mechanism." Feng Ming guessed.

The three of them saw that Yun Chujiu had not said anything, so they looked at her. They saw that she was enamored by all the ores in front of her, and her eyes were hooked!

Little Black Rat noticed Yun Chujiu's gaze and squeaked unhappily.

Yun Chujiu laughed dryly. "Mickey Mouse, don't be unhappy. I'm not the kind of person who is greedy and evil. Anyway, you can't eat so much, so just give me a few pieces as a souvenir!"

Feng Ming and the other two simply could not bear to look at it. Little Black Rat had saved us, and you still have the nerve to ask for a souvenir?!

Little Black Rat rolled its eyes and used its claws to point at the smallest piece of smoke cloud ore. It squeaked twice at Yun Chujiu.

Yun Chujiu pouted. This Little Black Rat was really stingy. However, no matter how small a bounty was, it was better than nothing. It will have to do for now but I don't believe that a little mouse like you can outsmart me!

“Senior brother Feng Ming, this place is very hidden. Even if Su Yanran finds out that we are hiding here, with their strength, they won’t be able to destroy the stone wall in a short period of time. Moreover, there are nine stone walls here. We can just hide out here. When the one-month trial time is up, we’ll be transported out.” Yun Chujiu lay on the ground, f*ck, I can finally catch my breath. I was almost killed by that little b*tch, Su Yanran.

Feng Ming and the other two were also paralyzed on the ground. These few days were the most dangerous days they had ever encountered, especially when Yun Chujiu seemingly committed suicide by taking the poison. It felt like the darkest moment of her life.

“Senior brother Feng Ming, I didn’t expect you to react so quickly! If you hadn’t been able to read the words I wrote in your palm, then I would have put on a show for nothing.” When Yun Chujiu fell into Feng Ming’s arms, Yun Chujiu had been lying on the ground and had written the word “bluff” on Feng Ming’s palm. Fortunately, Feng Ming’s reaction was fast. Otherwise, she wouldn’t have been able to escape.

Feng Ming smiled and said, “I was also stunned at that time, but I thought that Junior Sister Little Jiu was usually very cowardly. How could she have so easily taken the poison and committed suicide...”

Yun Chujiu was so angry that she was twitching. “Senior Brother Bird, the boat of our friendship has capsized again! The friendship is over! That’s it!”

Geng Yi and Shi Xuan looked at the dumbfounded Feng Ming and could not help but laugh out loud. Feng Ming’s EQ was really too low. He really knew how to push buttons!

The four of them slept until noon the next day. Only then did they get up full of energy,

“Mickey Mouse, those people didn’t find this place, right?” Yun Chujiu asked the little black mouse who was chewing on a piece of misty ore.

Little Black Rat shook its head proudly and continued to happily chew on the piece of misty ore.

Yun Chujiu saw that the piece of misty ore was getting smaller and smaller, and her heart ached. Damn, this Mickey Mouse was chewing on spiritual stones, what a waste! Yun Chujiu's eyes suddenly lit up. "Senior Brothers, how do you think this Mickey Mouse found this place? Is it a legendary stone-eating mouse?"
