

## The Yun Family's Ninth Child is an Imp! Chapter 590

Yun Chujiu sat on the ground for a long while, then she lay her hands on the ground and wailed.

“Oh my god, I thought I got lucky, but I didn’t expect it to be false luck! Oh my god, my life is so hard! It’s even harder than eating Coptis!”

“Mickey Mouse, you bastard, did you do it on purpose?!”

“Little Black Bird! You Idiot! Why didn’t you ask around before seducing it?! You actually managed to abduct a child for me! My heart! My Spirit Stones!”

...

Little Black Bird drooped its head and looked guilty. It trembled as it hid beside Little Black Rat. Little Black Bird widened its bean-like eyes and used its wings to wrap around Little Black Rat. It looked like it was not afraid of anything!

When Yun Chujiu saw the two lovebirds, she howled even louder, “You two are so heartless! Are you two ganging up on me?! Why is my life so miserable?!”

Feng Ming and the other two were dumbfounded. What was going on?!

“Junior Sister Little Jiu, what is going on? Why are you crying?” Feng Ming asked curiously.

“Wuuuu! This damned thing told me that although it is a Stone-eating Rat, it is still a little cub. It must eat a certain amount of precious ores before it can use its innate ability.”

“I asked it how much it needs to eat, and it told me that it needs to eat at least twice as much as what we saw! Oh my god, I reckon that even if I die, this thing will not be able to use its innate ability! I still have to spend money to buy rare ores to feed it. I really can’t get what I want!” Yun Chujiu cried miserably as she glared at Little Black Rat, who was hiding beside the Little Black Bird.

Feng Ming and the other two were also shocked. Junior Sister Jiu had just shot herself in the foot!

Feng Ming coughed dryly. “Junior Sister Jiu, what’s done is done. Maybe things will turn around in the future.”

Yun Chujiu wiped her tears with her sleeve and muttered, “Things haven’t been going well for me recently. First, I was chased by that little b\*tch Su Yanran, and now I’ve been tricked by that black-hearted Rat Mickey. It must be that old b\*stard Tian Dao who tricked me!”

The corners of Feng Ming and the other two’s eyes twitched violently, but they didn’t dare to say anything. In the Qing Xuan continent, the only one who dared to publicly scold Tian Dao was probably only Junior Sister Jiu.

“Junior Sister Little Jiu, it’s almost time. Put those two into the spirit beast pouch. We are about to be transported out,” Feng Ming reminded Yun Chujiu.

After a short while, the grievances in her heart eased a little. She glared at Little Black Bird and Little Black Rat and put the two into the spirit beast pouch.

The four of them stood together, waiting to be transported out.

However, after a while, nothing happened. Yun Chujiu frowned. “It’s already time, why haven’t we been transported out? Did we remember the wrong date? It’s not time yet?”

Feng Ming frowned. “It’s time, and the date is right too. We should have already been teleported out.”

“Maybe there’s a time delay?” Geng Yi said this without much confidence. In thousands of years, there had never been a delay. The disciples were always sent out on time.

The four people suddenly had an ominous premonition. Could it be that something bad happened?!

“Mickey, go out and see if there are any humans around.” Yun Chujiu let Mickey out to take a look around.

Four hours later, Little Black Rat came back. “Master, there are no humans outside.”
