

The Yun Family's Ninth Child is an Imp! Chapter 597

Feng Ming was instantly dumbfounded!

Shi Xuan and Geng Yi gave him a self-seeking look, and then silently began to mine.

There was no other way. The economic base determined the superstructure. Who asked them to only prepare three months' worth of dry food? Yun Chujiu's storage ring not only contained warm food, but also several large vats of salt. If they didn't please Junior Sister Little Jiu, they would become pulsatillas in the future! It was scary just thinking about it, so Feng Ming, you should seek your own blessings!

"Junior... Junior Sister Jiu, it's a misunderstanding. It's all a misunderstanding! I'm praising your beauty. Junior Sister Jiu is really beautiful. As beautiful as a flower. Good-looking and intelligent, clever and quick-witted. A peerless and magnificent beauty. Absolutely devastatingly beautiful and loved by all." Feng Ming recited all the idioms in his mind about praising women.

Yun Chujiu snorted coldly. "Senior Brother Bird, my ears are sharp. If you say bad things about me in the future... Hmph! Just wait to starve!"

"Junior Sister Jiu, I promise that there won't be a next time! You stay up there and bask in the sun... Ah, I mean look for the formation eye!" Feng Ming was about to cry from his stupidity and almost said something bad again.

During lunch, Feng Ming kept fawning over Yun Chujiu, afraid that he would be targeted by this little pervert. Yun Chujiu said with a smile, "Senior Brother Feng Ming, if you chase girls in the future with this kind of shameless spirit, you will definitely succeed."

Feng Ming said proudly, "Tsk! Only you can make me suffer. Other girls are always chasing after me, okay?!"

“That’s right, just like Zhuo Piaoyu’s black-hearted two-faced personality. She clearly likes you, but she doesn’t want to confess. Instead, she hates me! Senior Feng Ming, I suffered an undeserved disaster. I’ve been wronged to death!” Yun Chujiu said as her face twitched.

Feng Ming’s face revealed an angry expression. “I really misjudged Zhuo Piaoyu. I’ve always thought that she was gentle and kind, but I didn’t expect her to be so vicious! There’s also Ding Lang. He usually looks alright, but I didn’t expect him to be so heartless!”

“Senior Brothers, do you still remember that Zhuo Piaoyu gave me a lot of food, but I didn’t eat it?? Do you know why? Because it was all poisoned. Only I, who was knowledgeable, discovered the abnormality. If it was anyone else, they would have died long ago!” Yun Chujiu said shamelessly.

However, the focus of Feng Ming and the other two was on something else. “What? Zhuo Piaoyu poisoned your food? Then why didn’t you expose her?”

“Don’t get riled up! If I had exposed her then, she might have retaliated and accused me of being a thief and accusing her of being a thief. After all, I was learning alchemy from Elder Qi. If Ding Lang had said a few more words, you might not have believed what I said. Since that’s the case, why should I make things difficult for you?” Yun Chujiu said indifferently.

Feng Ming and the other two were stunned. If what Yun Chujiu said was true, they might not have believed that Zhuo Piaoyu would do something like poison someone. If it wasn’t for the fact that they were surrounded by Su Yanran, they probably would not have believed it no matter what they said. Zhuo Piaoyu, who had always been known for her kindness and generosity, was such a vicious woman.

At the same time, the three of them could not help but feel a little ashamed. They were clearly under the orders of the sect leader to protect Junior Sister Little Jiu, but throughout this journey, it was Junior Sister Little Jiu who was helping them.

While the three of them were deep in thought, they heard Yun Chujiu scream, “Not good! We’re in danger! Run quickly!”
