

The Yun Family's Ninth Child is an Imp! Chapter 603

"Mickey Mouse! What's going on?!"

"Master, it really has nothing to do with me this time! Look, those three are fine. Who knows why you're the only one stuck here? Besides, I've never heard of enchantments in my inheritance that can suck people," Little Black Rat said in confusion.

Yun Chujiu secretly wondered if it was because she had kidnapped the guardian beast of the Ancient Mine and Tian Dao was taking revenge on her?

Humph! Since I dared to kidnap her, I'm not afraid of your revenge!

She stretched her neck and started to howl, "Help! Senior brothers, quickly help me down!"

Feng Ming and the other two were wondering where Yun Chujiu had gone. When they heard the shout, they looked up and saw Yun Chujiu lying on the barrier.

The three of them were about to pull Yun Chujiu down when they saw someone flying towards Yun Chujiu.

"Black Thing, your style is quite unique!" Di Beiming stood on the flying sword and said with a faint smile.

Unique my ass!

Damn gigolo! They had not seen each other for a long time. Not only did he pull her down, he even laughed at her! When she went down, she would teach him a good lesson!

However, since she had a favor to ask, she naturally did not dare chastise him. She said pitifully, "Prince Charming, hurry up and help me get down! I've missed you to death!"

The corner of Di Beiming's mouth curled up. I told you that she would be fine. As expected, the Black Thing always gives me a surprise!

Di Beiming threw a palm at the barrier. The barrier trembled for a moment and Yun Chujiu was immediately sent flying. She immediately cried out in panic and kept flailing her arms and legs. Just as she was about to land, her waist was held by someone.

Di Beiming hugged Yun Chujiu and sighed, "Black Thing, don't you have a flying chopping board?"

Yun Chujiu immediately wrapped her arms around Di Beiming's waist and said cheekily, "It's forbidden to fly in the ancient mine. I forgot about the chopping board. Besides, I have a Prince Charming!"

Di Beiming felt very comfortable when he heard Yun Chujiu's words. He curled the corner of his mouth and landed on the ground with his sword.

An Feng, who was holding a mushroom in the corner, saw that Yun Chujiu had actually got out safely. He could not help but feel a surge of respect for Di Beiming. It was he who understood the Ninth Miss. The Ninth Miss was a monster! She had actually got out from the Ancient Mine! How did she do it?!

"Little Ninth girl! This old man said that you, are resourceful and will definitely be fine. Hahaha, it's great that all of you have returned safely!" It had been more than a month since the ancient mine trial ended, and the main forces of the Linghua sect had already retreated. Elder Qu and a few elders had stayed behind. Now that they saw that Yun Chujiu and the others had returned safely, they were naturally extremely happy.

"Elders, I've made all of you worry!" Yun Chujiu said apologetically.

“What are you talking about, little girl?! We all know about the deeds done by the Heaven sect, Zhuo Piaoyu, and Ding Lang. Don’t worry, when we return to the sect, we will give you an explanation. Why exactly were all of you teleported out after all this time?”

“I didn’t take the poison at that time. I was faking my death. After senior brother Feng Ming and the others left, I activated the concealment talisman to escape. I didn’t expect that Little b*tch Su Yanran to have a precious disk array. After I activated it, she discovered me. I was chased by them until I couldn’t even speak.

“Later, senior brother Feng Ming saved me and we continued to escape. Later on, we fell into a deep pit. After that, when we woke up, we found that I was stuck to the barrier.” Yun Chujiu lied with a straight face.
