

The Yun Family's Ninth Child is an Imp! Chapter 606

"Black Thing! Are you crazy? Wake Up!" Di Beiming heard Yun Chujiu's nonsense and became even more worried. He shook Yun Chujiu's shoulder.

Yun Chujiu rubbed her eyes and looked at Di Beiming. She looked down at herself and pinched her arm. She screamed, "Pretty Boy! You pervert! Get out!"

Di Beiming was stunned, "Black Thing, are you okay? Are you not sick?"

Yun Chujiu picked up the clothes on the ground and covered her chest. Her face was red as she scolded, "You are the one who is sick! I fell asleep! You pervert! Get out!"

Di Beiming's face suddenly turned red as he stammered, "I, I thought you were sick! I... I'll go now!"

Di Beiming was in a panic and tripped on the way out. After he got up, he staggered and rushed out with both hands and feet.

Yun Chujiu heard a bang coming from outside the door. It turned out that Di Beiming fell again in a panic.

Yun Chujiu's face was red. Although this guy kept saying that he wanted to do whatever he wanted, he was actually a perverted coward. Thinking of the scene just now, she wanted to find a hole to hide in.

She randomly put on her clothes. Only then did she realize that she was wearing dirty clothes. She could only wash her clothes again before changing into clean clothes. When she lay on the bed, her little heart was still beating violently. The redness on her face did not fade for a long time.

In the other room, Di Beiming was in an even worse state. When he fell, his nose coincidentally bumped into the ground. Instantly, blood flowed out like a fountain. After much difficulty, he managed to stop

the nosebleed. He heard the sound of Yun Chujiu taking a bath again in the room, he replayed the scene in his head over and over, causing the nosebleed to get worse.

The normally undaunted Di Beiming had been struggling with a nosebleed the entire night!

The next morning, Di Beiming felt a little uncomfortable. He did not go into the room to have breakfast with Yun Chujiu. He really could not think of what he would say if he met her.

Just as Di Beiming was in a dilemma, the door was pushed open. Yun Chujiu ran out as if nothing had happened, "Prince Charming, I'm hungry. Hurry up and eat!"

Di Beiming saw that Yun Chujiu was her usual self and felt more at ease. He stammered and explained, "Little Jiu, yesterday... Yesterday, I thought that something happened to you, so, so..."

"Aiya! It's not a big deal! Don't take it to heart! Anyway, you'll be mine sooner or later, so just watch! If you feel uncomfortable, then take off your clothes and let me look at you!" Yun Chujiu said with a lecherous look.

The discomfort in Di Beiming's stomach was instantly extinguished. He said with a sullen face, "You're talking nonsense again! Why did you fall asleep in the shower yesterday? Aren't you afraid of catching a cold?"

"Prince Charming, didn't you know that I was chased to death by the ten One-horned Demon Lizards in the ancient mine? I was so exhausted that when I relaxed, I suddenly fell asleep." Yun Chujiu said with a bitter face.

"Well, now that you have my master's idea, you can continue to cultivate. Don't be lazy. You won't be so lucky every time. If it weren't for Little Black Rat, you would probably be doomed again."

Yun Chujiu nodded obediently, "Prince Charming, don't worry. I will definitely cultivate well. I will strangle that Little b*tch Su Yanran to death with my own hands!"

Di Beiming nodded in gratification. Right now, the Black Thing's spiritual power was too low. It was impossible to enter the Tian Yuan Continent. Only when she cultivated diligently and reached the peak of the ninth level of the Spiritual Emperor Realm could she enter the Tian Yuan Continent.
