

The Yun Family's Ninth Child is an Imp! Chapter 617

The woman heard the shout and turned around. It truly was Zhuo Piaoyu.

“An Feng, I’ll attract her attention later. You go and save grandfather. I’ll deal with the rest,” Yun Chujiu said to An Feng behind her in a low voice.

An Feng agreed and Yun Chujiu sped up and flew in front of Zhuo Piaoyu and the others.

As soon as Yun Chujiu landed, she was surrounded by everyone. Zhuo Piaoyu whipped Yun Xiaotian again and sneered, “Yun Chujiu, who do you think you are? Do you think I won’t whip you if you don’t let me? I’ll whip this old man to death today!”

Yun Xiaotian saw Yun Chujiu and shouted in a hoarse voice, “Little Jiu, leave! Don’t mind me!”

Zhuo Piaoyu sneered as if she had gone mad, “Go? Where to? Unless I go to hell! Yun Chujiu, it was because of you that I was crippled and expelled from the Spirit Radiance Sect. Everything I have was destroyed by you! I will kill you today. As long as I kill you, I will recover my cultivation and take back everything I have!”

Yun Chujiu’s heart moved, and she said mockingly, “Are you talking nonsense? You want to recover after your cultivation was stripped? You are simply dreaming!”

“HMPH!! You don’t have to worry about that anymore! If you want this old man to live, immediately let my men imprison your spiritual power. Don’t worry, I won’t kill you right away. I’ll torture you properly. Don’t you like to seduce men? I’ll let you have a taste of what it’s like to be a man!” Zhuo Piaoyu’s eyes were filled with a crazed hatred as she laughed maniacally.

“Zhuo Piaoyu, I really feel bad for Peak Master Yuan! He humbly begged me for mercy because of you, and he even endured a huge amount of pressure. I didn’t expect you to treat him this way. You’re really ungrateful,” Yun Chujiu said calmly.

“Shut up!! That old man was good to me at first, but ever since you entered Spirit Radiance Sect, he repeatedly told me how good you were. This time, he even allowed you to cripple my cultivation. There’s no master-disciple relationship between me and him anymore. He’s my enemy!” Zhuo Piaoyu hated everyone in the Spirit Radiance Sect. She felt that everyone had let her down.

Yun Chujiu sneered and looked at the three old men beside her. “The three of you should be elders of the Zhuo family, right? You helped Zhuo Piaoyu commit murder and killed several members of my Yun family. Aren’t you afraid that the Zhuo family will be destroyed because of this?”

One of the old men laughed arrogantly. “Little girl, you sure have a big mouth!! What right do you have to say that? Are you counting on the Spirit Radiance Sect? The Spirit Radiance Sect has never gotten involved in worldly affairs. After killing you, we can at most compensate the Spirit Radiance Sect with a large sum of money. I don’t believe that the Spirit Radiance Sect will really destroy our Zhuo family for a little disciple like you! Not to mention your so-called Yun family. If it weren’t for the long journey, we would’ve killed all those Yun family members in Ye City! This is what you get for offending our Zhuo family! You can only blame yourself for being blind and offending someone you shouldn’t have!”

Yun Chujiu clenched her fists tightly in her sleeves. ‘Zhuo family, since you are so ruthless, then don’t blame me for killing you all. We can’t leave a single member of the Zhuo family alive.’

Right at that moment, Yun Xiaotian, who was originally hanging on the tree, suddenly soared into the sky and flew away. In an instant, he disappeared without a trace!

While the Zhuo family members were in a daze, Yun Chujiu sneered, “Alright, it’s time to settle the score. Zhuo Piaoyu, today I will make your Zhuo family disappear from the Qingxuan Continent!”
