

## The Yun Family's Ninth Child is an Imp! Chapter 618

"Hahaha! Yun Chujiu, aren't you afraid that the wind flashes your tongue? [1] You? You will make our Zhuo family disappear? Three elders, you've worked hard. Help me catch her!" Zhuo Piaoyu said with contempt.

The old man who spoke just now waved his hand at the others. "There's no need for you. I'll be fine by myself! She's just a little girl at the eighth level of the Spirit Enhancement realm. There's no need to mobilize so many people!"

"I'm alone? Who said I'm alone?! Little babies, come out! It's time for you to vent your anger!" As Yun Chujiu spoke, five huge Mighty Elephants appeared in front of everyone.

The people of the Zhuo family were stunned!

The Mighty Elephants were Tier Eight demonic beasts. Moreover, two of them looked like they were on a higher tier. It was already amazing that a cultivator could take one of these high-level spiritual beasts as a spiritual pet. How could this little girl have five?!

The three elders were also shocked, and they asked Zhuo Piaoyu in shock, "Piaoyu! How could she have five Mighty Elephants?!"

Zhuo Piaoyu gritted her teeth in anger, "These are the spiritual beasts of our West Peak's Spirit Beast Garden. How could they all acknowledge Yun Chujiu as their master?? It must have been given to Yun Chujiu by that old fogey Master Yuan! Three elders, kill Yun Chujiu, and these Mighty Elephants will naturally die with her!"

The three elders felt that it made sense. The combined strength of these five Mighty Elephants was about the same as them, but the demonic beasts had strong bodies. If they really fought, they might not be their match. As long as they killed Yun Chujiu, this wretched girl, these Mighty Elephants would naturally die as well.

One of the elders attacked Yun Chujiu. Yun Chujiu nimbly dodged the attack, and with a wave of her right hand, a purple lightning bolt shot toward the old man's face.

The old man was instantly shocked, and after hurriedly dodging, he cried out in alarm, "Heavenly Thunder Root Spirit! You actually have a Heavenly Thunder Root Spirit!"

Yun Chujiu did not have the time to waste with him. She said to the five Mighty Elephants, "Little babies, don't just stand there. Kill them all! Don't leave a single one alive!"

The five Mighty Elephants immediately began to attack the members of the Zhuo family. They had been locked up in the Spirit Radiance Sect for all these years, and they had long held back their anger. Now that they finally had a place to vent, how could they stay polite? They continuously attacked the Zhuo family members with their huge trunks and ivory tusks.

Zhuo Piaoyu was stunned on the spot. Yun Chujiu actually had the Heavenly Thunder Root Spirit? No wonder that old man Yuan praised Yun Chujiu so much. The sect leader and the various elders also attached great importance to Yun Chujiu. So that was the reason! This b\*tch Yun Chujiu had really deceived her!

"Three elders, kill Yun Chujiu! She has a lot of good things that the elders of the Spirit Radiance Sect gave her. As long as we kill her, everything will be ours," Zhuo Piaoyu shouted from the side.

Although the Mighty Elephant was powerful, its body was too big after all, so it was not that agile. One of the elders jumped over the Mighty Elephant that was attacking him and went straight for Yun Chujiu.

Unexpectedly, a huge fireball suddenly hit his back. The little black bird on the tree was hiding there, waiting for a sneak attack.

The elder was focused on guarding against Yun Chujiu who was in front of him. He was not prepared at all and was instantly hit by the fireball.

How could Yun Chujiu let go of such a good opportunity? Several bolts of lightning struck at the elder. At the same time, the little black bird on the tree threw another huge fireball at the elder's back. The elder screamed in pain and was struck by several bolts of lightning by Yun Chujiu, as he fell to the ground and died.

Zhuo Piaoyu saw an elder being struck to death by Yun Chujiu and immediately cried out in fear, "Second elder, third elder, fourth elder was struck to death by Yun Chujiu! Let's retreat!"
