

## The Yun Family's Ninth Child is an Imp! Chapter 624

Seeing that Yun Chujiu still did not react, Di Beiming said anxiously, "Little Jiu, can you forgive me? If you really can't, can we have another birthday celebration?"

"Little Jiu, why don't you hit me a few times, scold me a few times, kick me a few times, as long as you can calm down!"

"Little Jiu, don't you like Spirit Stones the most? As long as you're fine, I'll give you all the Spirit Stones you want!"

"Little Jiu, I've also brought you a lot of food that you like. There's gold-cup cake, braised pork ribs, steamed polar spearfish, polar mussel porridge..."

...

No matter what Di Beiming said, Yun Chujiu acted as if she didn't hear him, as if she had isolated herself from the outside world.

Di Beiming was so anxious that his forehead was covered in sweat. He spoke helplessly the entire way, but Yun Chujiu still did not have the slightest reaction.

A few hours later, the two of them arrived at the Linghua faction. It was already the morning of the second day.

After the Linghua faction discovered that the mighty elephant had been lost yesterday, they were completely shocked!

The six mighty elephants had been captured with great difficulty from the demonic beast forest. How could they have suddenly disappeared?

Could it be that they had run out on their own?

Impossible! Not to mention that they were unable to break the array formation, even if they could escape, the six behemoths would not be undiscovered!

They must have been stolen!

Just who was it that had silently stolen the violent mighty elephants?

Moreover, if the demonic beasts did not recognize their master, they would not be able to put them into a spirit beast pouch. What kind of ability did that person have to be able to silently make the six mighty elephants recognize their master?

Yun Chujiu's figure instantly flashed through elder Qu's mind. That little girl had always had a good relationship with these mighty elephants. Could it be that she was the one who did it?

Elder Qu immediately sent people to look for Yun Chujiu. After searching thirteen times, they still couldn't find her. Elder Qu's original suspicions had risen exponentially!

That little girl had a concealment talisman on her body, and she was the best at deceiving beasts. Most likely, these mighty elephants had been tricked by her and ran away. However, why did she do this?

It wasn't until the disciple guarding the door recounted what had happened in the morning that Elder Qu's heart sank. Gold Face's body was covered in blood. Could it be that something had happened to the Yun Family?

Elder Qu immediately reported it to Master Xuanyuan. Then, he and Elder Xiao arrived at Ling Hua City. As soon as they arrived at the Yun residence and saw the large bloodstains on the ground, the two of them knew that something had happened!

However, the two of them were powerless. Apart from the bloodstains on the ground, there was nothing left in the Yun residence. They also did not know where Little Jiu had gone.

The two of them could only return to the Linghua sect first and report this matter to Master Xuanyuan. Master Xuanyuan's brows were also tightly furrowed. Who exactly had massacred the Yun clan? Could it be that all the members of the Yun clan had been killed? According to the guard disciple, Little Jiu had returned to the Ling Hua sect after seeing Gold Face. It was likely that she had used a concealment talisman to take away the mighty elephants as revenge!

Muddle-headed, she was simply too muddle-headed!

This little girl didn't know the immensity of heaven and earth. The other party was actually able to wash the Yun family in blood. She must have made ample preparations. If you still went, wouldn't you be walking into a trap?!

Master Xuanyuan thought about it and sighed. The little girl was probably afraid that we would be in a difficult position. After all, the four great sects didn't participate in worldly disputes. However, if it wasn't possible in the open, we could do it in the dark. What a stubborn and foolish child!

When Peak Master Yuan heard that something had happened to the Yun family, he felt a little uneasy. Could it be PiaoYu?! If she really did it, then I would be helping the devil! He should not have pleaded for her in the first place. He should have killed her according to the sect rules.
