

## The Yun Family's Ninth Child is an Imp! Chapter 626

Di Beiming accompanied and took good care of Yun Chujiu. Yun Xiaotian, Yun Chuwu, and the others also came to visit Yun Chujiu from time to time. However, Yun Chujiu always seemed to be emotionless as she sat by the side in a daze. She had not been her usual expressive self the entire time.

On that day, Xue Wuji decided to visit Yun Chujiu. When he saw her like that, he was so angry that he scolded Di Beiming, "Di Beiming! You heartless man! If it wasn't for your little sister, would she have become like this?! You bastard!"

When Di Beiming saw Xue Wuji, his eyes turned red, "Xue Wuji, if it weren't for you sowing discord, Little Jiu wouldn't have become like this! I'll teach you a lesson today!"

Xue Wuji was not willing to be outdone, "Di Beiming! You're being overemotional! It's all your fault that Little Sister Jiu has become like this! If it weren't for your fickle nature attracting bees and butterflies, would Little Sister Jiu have become like this? Bastard! You still want to hit me? I'll beat you to death!"

The two of them didn't use their spiritual power. Instead, they exchanged punches and kicks.

Secret Protector Huahua and An Feng looked at each other. They felt that their masters were so stupid that they couldn't bear to look at them directly!

An hour later, the two of them, faces bruised and swollen, snorted coldly and separated. Xue Wuji cursed Di Beiming while howling, "Di Beiming, you're an idiot! Little Sister Jiu is such a good girl, and you still want to participate in some bullshit consort selection banquet? Bah! How could those pretentious idiots compare to Little Sister Jiu? My poor Little Sister Jiu, how did you become a fool?! Little Sister Jiu, don't you remember brother Wuji?"

Yun Chujiu still had her head down expressionlessly, looking as if she was isolated from the outside world. Xue Wuji saw this and, he became even more resentful of Di Beiming. "Di Beiming, if Little Sister Jiu doesn't get better, I won't be done with you! Although I can't beat you, I can annoy you to death. If you make Little Sister Jiu suffer, I'll make you a monk for the rest of your life!"

An Feng and secret protector Huahua's eyes lit up. Xue Wuji had such a unique style and thought process from ordinary people!

Di Beiming grabbed Xue Wuji's clothes. "Who says Little Jiu can't get better?! She will get better! She will definitely get better!"

Xue Wuji broke free from Di Beiming's hold, he sneered again and again. "Di Beiming, you keep saying that you're good to Little Sister Jiu. What's good about you? "If you like Little Sister Jiu, why didn't you tell your mother about her? Why didn't you openly let people know about Little Sister Jiu's existence? Why did you sneak around like a thief? Could it be that Little Sister Jiu isn't good enough to be seen with you?"

The blue veins on Di Beiming's forehead popped. He slammed the stone table into powder and roared, "You idiot! What do you know?! Do you think I don't want to be together with little jiu openly?"

"Tsk! Words are cheap! You say one thing and you do something else! I want to hear what the Almighty Emperor has to say!" Xue Wuji said sarcastically.

"Little Jiu's spiritual power is too weak now, and I can't protect her at all times. If people know of her existence, it will bring disaster to her."

"Humph! In the end, it was you who caused the peach blossom debt. Weren't you afraid that those little fairies would come and find trouble with Little Sister Jiu? If it were me, I would kill them all. Let's see who dares to bully Little Sister Jiu!" Although Xue Wuji felt that what Di Beiming said made some sense, he still felt that it was all Di Beiming's fault.

"You! Hmph! If it was just them, why would I be afraid?! You have forgotten what happened to my mother back then? If the people there knew about Little Sister Jiu's existence, it would be inevitable that they would attack again. On the Qing Xuan Continent, our spiritual power was suppressed, but theirs aren't. If they had any thoughts of attacking, even if you and I joined forces, we wouldn't be a match for them!!"

They had a hidden line in the Tian Yuan continent, but they wouldn't pay attention to such a low-level area like the Qing Xuan continent. That's why I dare not reveal Little Jiu to the public. At the very least, we have to wait until Little Jiu's spiritual power is high enough to go to the Tian Yuan continent." Seeing Xue Wuji's aggressive attitude, Di Beiming could only lay bare the hidden worries in his heart.
