

The Yun Family's Ninth Child is an Imp! Chapter 653

An Feng, who had stayed hidden all this time, admired Yun Chujiu so much that he prostrated himself on the ground. This ability of Miss Jiu's to was unrivaled in the world!

Flaming three-tailed Fox? It just so happened that she used this as a catalyst to lure a few of them away. This way, Miss Jiu and the others would be able to kill a few of them first! Right! Let's do it this way!

Yun Chujiu strolled along with a group of people towards the place where they first discovered Du Ruocao. Her plans were similar to An Feng's. She prayed in her heart that An Feng would be smarter and lure the tiger away from the mountain, we can still fight the rest.

After walking for a while, everyone saw a red light flash in front of them. Yun Chujiu cried out in surprise, "Three-tailed Fox!"

The men in Black also saw the red shadow flash past them. A few men in black were tempted. One of them said to the leader of the men in black, "Let's go and take a look!"

The leader of the men in black thought that these little brats were no match for them. He was not afraid that they would play any tricks, so he nodded at the man. Five of them chased after the red shadow.

Yun Chujiu calculated for a moment. Although there were seven people left, they still had no chance of winning, but they had to give it their all. Otherwise, when the rest returned, they would have even less chance of winning.

It was also because these men in black were too arrogant that they did not restrict Yun Chujiu and the others' spiritual power. After Yun Chujiu made her decision, she gave Feng Ming and the others a look.

Feng Ming and the others understood and silently nodded.

Yun Chujiu looked at the leader of the men in black and said pitifully, "Senior, in fact, besides the ores that I gave you earlier, I still have some here. I will give them to you. You must let us go later!"

The leader of the men in black naturally would not believe it until he saw it. He sneered and said, "Show me!"

Yun Chujiu nodded obediently, but a trace of slyness flashed through her lowered eyes. Little fellow, you asked me to take it out!

One piece!

Two pieces!

Ten pieces!

A hundred pieces!

Countless pieces of rare ores were brought out by Yun Chujiu!

The men in black were all dumbfounded. They originally thought that the little girl was talking about a few dozen pieces, but there were so many!

The men in black revealed greedy expressions. They did not care about being modest and did their best to hoard them in their storage rings.

Yun Chujiu moved upwind without batting an eyelid and suddenly threw a few big sacks at the men in black.

The men in black thought that they were fake and were about to keep it in their storage rings when they realized that a large amount of powder was released with a bang after the big sacks landed on the ground.

These men in Black had high spiritual power. Although they were caught off guard and inhaled a little, they immediately covered their noses and mouths.

“Damn girl! You asked for it! Go! Leave one of them alive. Kill the rest!” The leader of the men in black came back to his senses and flew into a rage.

Yun Chujiu kept hurling lightning while shouting, “In your dreams! Look at my secret weapon!”

Following Yun Chujiu’s words, five huge Mighty Elephants were released by Yun Chujiu and rushed towards the seven black-clothed men.

Yun Chujiu did not release the little elephant. The little one was still too weak. If it was injured, the big Mighty Elephants would be distracted.

The seven black-clothed men were shocked. How could this stupid girl have so many Mighty Elephants as her spiritual pets?

Yun Chujiu attacked with all her might while shouting at the Mighty Elephants, “Little Babies, Charge! As long as you kill them, I’ll reward you with some good treasures. I guarantee that you’ll be satisfied!”
