

The Yun Family's Ninth Child is an Imp! Chapter 654

When the five Mighty Elephants heard Yun Chujiu's words, they immediately felt motivated.

The Mighty Elephants were originally fierce and aggressive. After being locked up for so many years, they finally had a chance to let loose. The last time they fought in the Zhuo family, they did not even have much of a chance to fight so they held back all their energy. This time, they could vent their anger on these few humans!

Yun Chujiu was afraid that the five black-clothed men would come back. She kept fighting while encouraging the Mighty Elephants. If the five black-clothed men came back, these Mighty Elephants would be terrified. When that happened, things would take a turn for the worst.

Taking advantage of the element of surprise, Yun Chujiu suddenly activated the concealment talisman. She jumped behind a black-clothed man and threw a rolling pin at him!

Although the man in black did not notice Yun Chujiu, his spiritual power was still high. He sensed the sound of wind behind him and dodged Yun Chujiu's rolling pin. However, he did not avoid the next few lightning strikes from Yun Chujiu.

The man in black screamed and fell to the ground dead.

The leader of the men quickly activated the concealment disk and Yun Chujiu's figure appeared.

"Stupid girl! You're dead!" The leader of the black-clothed men threw a few wind blades at Yun Chujiu. Clearly, he was overcome with anger and did not consider whether he should leave her alive or not.

Although Yun Chujiu dodged most of the wind blades, there were still a few that she could not dodge. However, fortunately, Yun Chujiu had a defensive spirit tool on her, so she managed to block the wind blades.

“You old fart! You’re the one who’s got a death wish! Little Jiu Thunderclap!” Yun Chujiu put away her rolling pin, then shook her left and right hands continuously. Purple heavenly lightning continuously flew at the leading black-clothed man.

The two sides started a chaotic battle!

Yun Chujiu fought against the leading black-clothed man. Yun Chusi and the other six people surrounded and attacked a black-clothed man. Feng Ming and the other two people surrounded and attacked a black-clothed man. Three eighth level Mighty Elephants surrounded and attacked a black-clothed man, two ninth level Mighty Elephants were attacking one black-clothed man each.

Both sides were evenly matched. Although the opponent’s spiritual power was high, Yun Chujiu’s had the advantage in numbers. However, once the other five men returned, this advantage would disappear completely. Therefore, Yun Chujiu was extremely anxious, this stalemate was not a solution. They had to end the battle quickly.

“Xiao Hei, go help Ah San and the others! Try to get rid of that black-clothed man as soon as possible!” Yun Chujiu said to the Little Black Bird with her spiritual sense.

The Little Black Bird flapped its wings and flew above the black-clothed man who was besieged by the three eighth level Mighty Elephants. It threw a huge fireball at the man.

The black-clothed man leaped and dodged the fireball. The nose of a Mighty Elephant swung over. He hurriedly dodged again, but he did not expect the huge tusks of another Mighty Elephant to stab at where he landed. He quickly leaped and dodged again.

Originally, he could not handle the three Mighty Elephants. Now that there was another Little Black Bird shooting fireballs at him, he was at a complete disadvantage.

Yun Chujiu had sprinkled a lot of spirit dispersing pills on the ores. At this time, the effects of the pills began to take effect. These black-robed men noticed that their spiritual power slowly drained away.

A moment later, the black-robed man was hit in the shoulder by the Little Black Bird's fireball. Following that, he was pierced through the abdomen by the tusks of a Mighty Elephant and died on the spot.

Yun Chujiu was overjoyed and said to the elephants, "Third, Fourth, and Fifth! Help your eldest deal with the enemy, let's end this quickly!"

The leader of the black-robed men immediately felt that things were not looking good. If this went on, they would be wiped out. He shouted, "Retreat! We'll deal with this brat after meeting up!"
