

The Yun Family's Ninth Child is an Imp! Chapter 659

An Feng and the others immediately began digging. The more they dug, the more frustrated they became. There was no sign of loosening in the soil, so how could there be a cave entrance here?!

Could this Mighty Elephant have remembered the wrong place?!

Even the Mighty Elephant began to doubt itself. Could it be that it had gone to the wrong location?

An Feng and the others had no choice. On one hand, they sent people to guard the place, and on the other, they continued to search for Yun Chujiu's whereabouts.

Yun Chujiu, who was worrying by everyone, was looking at the group of foxes in front of her with a dumbfounded expression!

F*ck!

Who could tell her that she was infected by Little Black Birdi's crow's mouth?! Why did she fall into the Fox Cave? In a three-tailed Fox Cave?

At that time, Yun Chujiu jumped off the back of the Mighty Elephant. Before she could stand, a large hole appeared on the ground. A white light flashed in front of her eyes, and then she found that she had fallen into a huge cave.

Before he could react, he was surrounded by several Flaming Three-Tailed foxes. These three-tailed foxes were drooling as they looked at Yun Chujiu. They looked as if they were going to tear her apart and eat her up immediately.

Yun Chujiu shivered. Was she that delicious?!

She waved her hands. "I'm sorry, I'm sorry. I'm just passing by. I'll leave now!"

The leader of the three-tailed foxes started to howl. The rest of the Foxes started to howl as well. Yun Chujiu felt that the howls were a little ear-piercing, and her head started to feel dizzy...

Fortunately, the Strange Grass used its leaves to exert a cooling effect on Yun Chujiu's spirit to help her regain consciousness.

Oh, shit! The cries of the Foxes were seductive. They were very difficult to deal with!

Yun Chujiu secretly took out the hidden amulet then used spiritual power to stimulate it for a long time but did not succeed. She was on the verge of tears. It's over! She was not killed by those men in black, nor was she trampled to death by the Demon Beast Tide, she was going to die in the hands of the fox, it was her own made-up Three-Tailed Fox!

"Fellow Fox Brothers, let's discuss this properly. Stop shouting for a while, it's so tiring!" While laughing, Yun Chujiu secretly observed the surrounding terrain. She was prepared to charge out first after she succeeded in her attack.

Seeing that Yun Chujiu was not hit, the Flaming Three-Tailed Fox King's stone-like eyes flashed with a trace of surprise. Then, she arched her body and made a posture as if she was going to attack and bite.

The Flaming Three-Tailed Fox King opened its mouth and was about to give the order to attack, but Yun Chujiu quickly threw out the corpse of a Wind-Blade Rabbit. She was purely trying to stall for time.

It was unexpected that the Flaming Three-Tailed Fox King only hesitated for a moment before it began to bite into the Wind-Blade Rabbit impatiently.

The rest of the Flaming Three-Tailed foxes kept drooling, but they did not dare to snatch the food from the Fox King.

Yun Chujiu's heart skipped a beat. There was a problem! There was a huge problem!

Logically speaking, these Flaming Three-Tailed foxes were all level seven demonic beasts, and the Fox King was at least level eight. How could it look like it had not eaten for hundreds of years? It was truly unbelievable!

Yun Chujiu wanted to test it out, so she threw out another Wind-Blade Rabbit. The Fox King hesitated for a moment, but in the end, he still pulled the Wind-Blade Rabbit to the other ten or so foxes.

The ten or so foxes immediately began to bite and fight, as if they have not eaten meat in centuries!

Yun Chujiu was pleasantly surprised. It seemed that her guess was right. These Flaming Three-Tailed foxes must have been hungry for a long time. She had an inexhaustible supply of demon beast corpses, so she could use this to buy time.

Yun Chujiu threw out the corpses of ten wind-edge rabbits. Then, she said to the Flaming Three-Tailed Fox king, "Brother Fox, I don't have anything else. There is plenty of demon beast meat. As long as you don't hurt me, I will provide you with food. How about it?"
