

## The Yun Family's Ninth Child is an Imp! Chapter 661

The Flaming Three Tailed Fox King looked at the beautiful ores and felt a river of sadness in his heart. It was a bitter and painful experience!

Yun Chujiu was angered by the fox king's disdainful look. 'Damn it, you little bastard! How dare you look down on me? This is outrageous! If it wasn't for me, you would still be hungry! What's so awesome about it?!'

However, this fellow only dared to be angry in her heart and did not show it on her face as she asked, "Brother Fox, what does this mine have to do with you guys being hungry?"

The Flaming Three Tailed Fox King's gaze became even more contemptuous, as if it was beneath it to answer.

Yun Chujiu was so depressed that she almost vomited blood. However, after weighing the pros and cons, she decided to swallow her anger. Since the other party did not say anything, she could only think about it herself. She rubbed her chin and gradually, her thoughts became clearer.

When she fell in, a white light flashed in front of her eyes. It was probably because she had activated some kind of formation or something. That was why she fell into this cave. At the end of the cave was a mineral vein—it was a completely sealed space.

These foxes might have been in the same situation as her. They might have been unintentionally teleported in, but they could not find a way out. Therefore, they could only wait for death there. It was just that they did not know how long they had fallen in for.

"Did you guys barge in here by mistake too?" Yun Chujiu probed the fox king.

The Flaming Three Tailed Fox King nodded. 'This little human girl isn't completely dumb afterall. Damn it. Back then, when I led these subordinates, they were so powerful. In the first two levels of the

Demonic Beast Forest, they were unimpeded and were the kings and overlords. Even the demonic beasts on the third level did not dare to provoke them.

Who would have thought that in order to chase after a group of Windblade Rabbits, they would be unlucky enough to fall into this place. It was really impossible for them to get out even if they tried all kinds of methods! Fortunately, this king was smart enough to get everyone to go into hibernation. That was why they did not starve to death. If not for this little human girl falling in, who knows how long they would have slept.

“How long have you fallen in?” Yun Chujiu continued to ask.

The Flaming Three Tailed Fox King stretched out a claw. Yun Chujiu asked, “Four years?”

The fox king revealed a disdainful expression. Yun Chujiu cursed in her heart. ‘You stinky fox, you are about to starve to death. Why are you still acting?!’

Yun Chujiu could only ask again, “Could it be forty years?”

The Flaming Three Tailed Fox King finally nodded. Yun Chujiu revealed a look of despair. ‘They actually could not find an exit even after forty years?!’

The fox king was very puzzled. It was only forty years. Why was this little girl so surprised?! Exotic beasts could live up to ten thousand years. What was a mere forty years?!

Yun Chujiu sat down on the ground. Damn it! These foxes could not find a way out even after forty years. Could she do it?

Should she ask the gigolo? However, since the concealment talisman did not work, the voice transmission talisman would definitely be useless!

Yun Chujiu took out the voice transmission talisman and tried it. Sure enough, it did not work.

The more she thought about it, the more she felt that her chances of finding the exit were slim. 'This meta ore is so valuable. The person who designed the formation must've designed the most difficult formation to crack. With my half-baked skills, it's impossible to crack it.

Sob sob! The gigolo had even told her two nights ago that he was only willing to be with one person and would never leave her side!

Now, she was unlucky enough to fall into this hole. Damn it! In more than five years, that old witch would force the gigolo to marry a wife, let alone 40 years. Sob sob! It was not easy for her to raise a husband slave, but now the other girls would take advantage of her! She was really unhappy!
