

The Yun Family's Ninth Child is an Imp! Chapter 67

The tribulation lightning was dumbstruck. Was it the egg in the pit or the black girl on the tree branch? No one said there were two targets when I came!

The tribulation lightning was acting up again!

One moment he moved towards the pit, and another moment he moved towards Yun Chujiu!

The eggs in the pit and Yun Chujiu on the tree were fine, but the people below were shocked!

That's not right! This tribulation lightning doesn't seem to be heading for the Nine-Colored Vermilion Bird's egg. Could it be that it wants to kill us?!

In their fear, everyone started to discuss and point at each other.

The tribulation lightning in the sky was enraged!

He hacked down at the densely packed area!

One of the unlucky fellas was instantly charred!

Thunder could be heard faintly from the sky. The rest of the people fled in all directions in fear! Although the Nine-Colored Immortal Vermilion Bird was rare, their lives were even rarer!

He should lie low and wait for the lightning to stop before returning to snatch the Nine-Colored Immortal Vermilion Bird.

The tribulation lightning had learned its lesson this time. It decided to first strike the black girl on the tree, then strike the egg in the pit.

Yun Chujiu saw that everyone had run away, and she had a plan in her heart. She looked at the tribulation lightning that was swaying, and quickly climbed down the tree.

Yun Chujiu smiled at the tribulation lightning and waved her hand. "Baby, come on! Come on!"

The tribulation thunder was about to go crazy with anger. Today, it was truly unfavorable for there to be thunder. Not only had there been two targets, but they had also encountered such a freak!

I'll kill you!

The tribulation lightning struck Yun Chujiu with 120% anger.

Yun Chujiu despised it in her heart. This little thing was far worse than the last one. She didn't even blink.

Sure enough, she didn't know if it was because she had antibodies after the last time or for some reason, but Yun Chujiu acted as if nothing had happened. She held her small hands behind her back and said arrogantly, "Too weak! Too weak! If you can, then hit me again!"

The dark clouds in the sky started to tremble with anger! Too much! Too much!

I've never seen such a weird thing in ten thousand years! Slash! Kill her!

As a result, bolts of lightning fell from the sky. The people who had escaped could not help but rejoice.

Heavens! It's all thanks to our escape! What exactly is going on? This has angered the heavens! Could it be that the Nine-Colored Immortal Vermilion Bird is something that goes against the Heavenly Dao?

Elder Sun suddenly slapped his thigh. "Oh no! I forgot about that black girl! Oh no, oh no, that black girl must have been struck to death by lightning!"

Elder Sun blamed himself. "It's all my fault. Just bring her to my side!"

The other elders also felt the same way. That black girl was such a pity.

"Forget it, Elder Sun, you don't have to blame yourself. This is her fate. If we hadn't saved her before, she would have died at the mouth of the demon beast. Today is her fate!" The square-faced elder sighed and comforted Elder Sun.

Elder Sun sighed and didn't say anything else. He had a faint hope that the black girl might be able to escape this calamity.

Yun Chujiu, who was remembered by Elder Sun, was bubbling with beauty. In her eyes, this bolt of lightning was spiritual force, a powerful cheat!

Yun Chujiu was also worried that she would not be able to withstand so much power of lightning, but she found that once the power of lightning accumulated to a certain extent in her dantian, it would be swallowed by something!

Yun Chujiu felt strange in her heart. She was prepared to check her dantian when she went back. What exactly was hidden in her dantian?

Just as Yun Chujiu absorbed the power of lightning, the eggshell in the pit completely cracked open, and a small black thing came out from inside.
