

The Yun Family's Ninth Child is an Imp! Chapter 673

"Prince Charming, what's going on? We clearly flew up from below!" Yun Chujiu felt that her brain ache as she could not keep up with what happened.

"Little Jiu, I'm afraid that the array formation there hasn't been completely destroyed by the Heavenly Lightning. It's also possible that there's more than one kind of array formation set up there. After we came out, the array formation automatically opened, so we can't go in again," Di Beiming said after thinking for a moment.

Yun Chujiu was completely in awe of the person who set up the formation. It was too awesome. Even under the bombardment of so many Heavenly Lightning bolts, it still functioned. This formation was too formidable.

However, she immediately regretted leaving. If she had known earlier, she and the pretty boy would have dug more ore before flying away. Now, there was no way to go in again!

"Miss Jiu, how did you disappear before?" An Feng asked curiously.

"I jumped down from Ah Da's back and felt a white flash of light. Then, I ended up in a cave. Guess what was inside?" Yun Chujiu said with a smile.

"What's inside?"

"There were more than ten Flaming Three-Tailed Foxes inside! There's was also a Hui Cui mineral vein! I felt my mouth open wide from the shock!" Yun Chujiu said smugly.

Di Beiming looked at the smiling Yun Chujiu and finally heaved a sigh of relief in his heart. He was afraid that after such a calamity, Little Jiu's temperament would change drastically and she would resort to extremes from then on.

Fortunately, although she had experienced so much misfortune, other than being more tenacious, her personality was still bright and cheerful. Moreover, she still maintained a pure heart, which was gratifying.

An Feng exclaimed in disbelief, "Ninth Miss, this is too unbelievable, isn't it?! You... Are you joking?!"

Yun Chujiu curled her lips and released a nest of Flaming Three-Tailed Foxes from her spirit beast bag.

Although these Flaming Three-Tailed Foxes were unable to sense the situation outside while inside the Spirit Beast Bag, they knew that the situation was very critical when they saw the Fire-spitting Crow and Stone-eating Rat trying their best to break out of the Spirit Beast Bag to save their master.

The Flaming Three-Tailed Fox King thought that the little girl would be struck to death by lightning, but it did not expect that she would survive. After being struck by lightning for a day and a night, she was still alive. Was she human?!

An Feng was immediately dumbfounded when he saw the Flaming Three-Tailed Foxes!

Damn, the Ninth Miss actually met the Flaming Three-Tailed Foxes who was supposed to be part of her bluff?! These were exotic beasts, and there were so many of them? This was too inconceivable!

The Flaming Three-Tailed Foxes' eyes were rolling around like black stones. This little girl would soar into the sky in the future. Should it acknowledge her as its master?! It was only three-tailed now. If it did not seize the opportunity, it would probably stay three-tailed for the rest of its life. If it followed this little girl, it might awaken its latent powers and become a Nine-Tailed Fox in the future. Just thinking about it made it very excited, right?!

Thinking of this, the Flaming Three-Tailed Fox King howled at Yun Chujiu a few times before wagging its fluffy tail in a fawning manner.

Yun Chujiu thought that it was thanking her. She waved her hands at it and said, "No need to thank me. We can be considered friends. See you later!"

Yun Chujiu held Di Beiming's arm and said, "Prince Charming, let's go back quickly. I think the sect leader and the rest will be very worried."

Di Beiming nodded and the two of them walked out of the Demonic Beast Forest.

The Flaming Three-Tailed Fox King was anxious. It jumped in front of Yun Chujiu and cried out.

Yun Chujiu was stunned. "Didn't I tell you? There's no need to thank me. You can go!"
