

The Yun Family's Ninth Child is an Imp! Chapter 674

Seeing that Yun Chujiu still didn't understand what it meant, the Three-Tailed Fox King cried out anxiously.

Di Beiming curled the corners of his mouth. "Little Jiu, I'm afraid that it wants to acknowledge you as its master."

An Feng and the guards looked at Yun Chujiu enviously. Tsk tsk, look at the luck of Miss Jiu! The Flaming Three-Tailed Fox was an exotic beast that could grow even stronger! If it could grow six tails, it would be an immortal beast!! Imagine if it grew nine! Why did they not encounter such good fortune themselves?!

However, they said that exotic beasts were very arrogant? Why did it look like it wanted to acknowledge Miss Jiu as its master?

What made them even more confused was that they heard Yun Chujiu say, "You want to acknowledge me as your master? I already have two spiritual pets, I don't want to take in any more."

When Yun Chujiu said this, she remembered that she still had a small Mighty Elephant in her spirit beast bag, so she asked An Feng, "An Feng, where are Ah Da and the others? I have to return the little elephant to them."

"Miss Jiu, Ah Da, and the others are in charge of guarding the front. We will be able to see them in a while," An Feng answered after being stunned for a moment.

An Feng thought to himself, "Miss Jiu, aren't you missing the main point? We can return the little elephant later. This Flaming Three-Tailed Fox is an exotic beast, and this particular one is the Fox King. It will surely get stronger in the future, so how can we reject it?!"

The Flaming Three-Tailed Fox King also had a look of disbelief on his face. “I, the dignified Fox King, want to acknowledge you as my master. Shouldn’t you be so grateful that tears would flow down your face?”

“You indeed have two spiritual pets, but can an ugly Fire-Spitting Crow and a weak, tailless Stone-eating Rat be compared to me?”

When the Fox King saw that Yun Chujiu had walked forward, it did not have any intention of going back on its words. It was anxious. Regardless of whether it was a human or a beast, it took an effort to obtain the best things in life. Initially, it was still hesitating whether it should acknowledge Yun Chujiu as its master, but it had already made up its mind. It would do what it had to so Yun Chujiu became its master!

It howled a few times at the other Flaming Three-Tailed Foxes, indicating that they could leave. Then, it chased after Yun Chujiu and the rest.

Yun Chujiu continued chatting and laughing with Di Beiming as if she had not seen him. The Flaming Three-Tailed Fox King felt that his pride had suffered a serious blow, but he was unwilling to leave just like that. This king did not believe it, I’ll follow you until you accept me!

After walking for about a quarter of an hour, Yun Chujiu saw five Mighty Elephants.

When the Mighty Elephants saw Yun Chujiu, they were so happy that they kept swinging their huge trunks. They would have rolled Yun Chujiu up with their trunks and tossed her a few times were they were not afraid that Yun Chujiu would not be able to take it.

Yun Chujiu released the baby elephants from the spiritual beast bag. The five Mighty Elephants kept stroking the baby elephants with their trunks, just like a human comforting a frightened child.

Yun Chujiu was very grateful to these five Mighty Elephants. If it were not for them, she would have died at the hands of the black-clothed men. Also, they had helped her a lot when she killed Zhuo Piaoyu last time.

“Ah Da, the red bottle contains blood coagulation pills, and the white bottle contains exploding spirit pills. I’ll give them to you. In the future, I’ll often come to the Demon Beast Forest to play with you.” Yun Chujiu took out several bottles of Super-grade Blood Coagulation pills and Super-grade Exploding Spirit pills and wrapped them up with cloth. She hung them on Ah Da’s tusks.

Ah Da called out a few times gratefully and used his nose to gently touch Yun Chujiu. Then, he led the herd of elephants and walked away.

The Flaming Three-Tailed Fox King felt a sour feeling in its heart when it saw this. This little girl was amazing. She made the violent Mighty Elephants so docile. No matter what, it had to acknowledge her as its master.
