

The Yun Family's Ninth Child is an Imp! Chapter 675

The Flaming Three-Tailed Fox King followed closely behind Yun Chujiu, wagging its fiery red tail in a fawning manner.

An Feng pursed his lips. 'Damn, can you have some integrity?! Wagging your tail!? You're not a household dog, you're an exotic beast!'

Even after they left the Demon Beast Forest, the Flaming Three-Tailed Fox King still chased after them relentlessly, acting as if it would not take no for an answer.

Yun Chujiu sighed. "Sigh! I'm too kind. Since you are so sincere, I will take you in. However, if I take you in, you have to behave yourself. If you don't, I will starve you to death."

The Flaming Three-Tailed Fox King hurriedly nodded. Letting Yun Chujiu take it in was its greatest wish.

Immediately, Yun Chujiu bit her middle finger and dripped the blood into the mouth of the Flaming Three-Tailed Fox King. The Fox King began to form a seal with its two front claws.

A moment later, an ancient and complicated pattern of a contract appeared in the air and then disappeared between Yun Chujiu's brows.

"I'll keep you. I have to give you a unique name. Little Black, Little Flame, Wooly Ball, Mickey Mouse, Strange Grass, Little Quiet. All these good names have been used. What name should I give you?" Yun Chujiu touched her chin and muttered to herself.

The Flaming Three-Tailed Fox was suddenly filled with deep worry about its own name. Its master's skill in naming was really scary!

"I've got it! Your fur is red. You shall be called Little Red!" Yun Chujiu clapped her hands and said.

The Flaming Three-Tailed Fox King immediately fainted. It was a dignified fox king, but it had such an embarrassing name from now on. Was it too late for it to regret now?!

Yun Chujiu saw that the Flaming Three-Tailed Fox King had fainted and could not help but be stunned. She turned her head and asked Di Beiming, "Prince Charming, why did it faint? Could it be that it was excited because it's finally been given a name?"

Di Beiming rubbed his nose and thought, excited? The Flaming Three-Tailed king must have fainted from embarrassment! Fortunately, the name that the Black Thing gave their future child was still quite reliable.

Yun Chujiu put the fainted Flaming Three-Tailed Fox King, who was now known as Little Red, into her spirit beast bag. Only then did she follow Di Beiming to board the Flying Spirit Tool and return to the Spirit Radiance Sect.

When Master Xuanyuan and the others saw that Yun Chujiu had returned safely, they were naturally very happy. Even from the Spirit Radiance Sect, they could hear the thunder that shook the sky in the Demonic Beast Forest yesterday. One could imagine how dangerous it was.

After a few simple conversations, Yun Chujiu and Di Beiming returned to the dormitory.

"Prince Charming, go outside and be on guard. I want to take a bath. My body is so dirty!"

Di Beiming nodded and walked outside.

Yun Chujiu took out a bathtub and hot water from her storage ring and jumped in to take a good bath. She didn't know if it was an illusion, but her skin felt better. It had become white and tender, like a beautiful little beauty.

After Yun Chujiu finished taking a bath, she applied a hair growth pill on her head and took out a mirror to draw two eyebrows. Then, she got clean bathwater again and shouted to Di Beiming, "My dear Prince Charming, come in and take a bath!"

After Di Beiming entered the room, he saw Yun Chujiu standing at the side calmly. He could not help but frown, "Little Jiu, you can go out now."

"Prince Charming, I said that I will treat you well! Let's start by serving you in the bath! I will help you take off your clothes!" Yun Chujiu stretched out her hands and reached for Di Beiming's belt.

Di Beiming quickly dodged, "No need, I can do it myself. You can go out now!"
