

The Yun Family's Ninth Child is an Imp! Chapter 685

At this moment, the Flaming Three-Tailed Fox King's heart was on the verge of collapse. Although it was powerful, it could only deal with five of them. There was no way it could win against fifteen!

However, since it had run its mouth, it couldn't possibly ask that ugly bird for help, right?!

The Flaming Three-Tailed Fox King rolled its eyes and suddenly jumped. With a whoosh, it leaped over the body of a Fire-Breathing Ash Wolf and instantly escaped the encirclement.

"Awooo! Awooo! AWOOO!" Flaming Three-Tailed Fox King roared.

A few of the Fire-Breathing Ash Wolves began to look confused. The Flaming Three-Tailed Fox King took the chance and threw a fireball at one of them!

A Fire-Breathing Ash Wolf was hit by the fireball. It screamed and rolled on the ground. The Fox King did not have the time to be proud. Several fireballs were thrown at it!

The Three-Tailed Fox King moved left and right. In the beginning, it was very agile. While it was dodging the Fire-Breathing Ash Wolves attacks, it could occasionally retaliate. However, as time passed, it gradually grew tired.

If it had not accepted a master, it would have escaped long ago. Although it could not beat the Fire-Breathing Ash Wolves, it would have no problem escaping. However, now, it had returned in defeat after being assigned a mission by its master for the first time. It was too embarrassing.

Therefore, the Flaming Three-Tailed Fox King could only hold on bitterly.

Little Black Bird rolled his eyes. Although he could not stand the Three-Tailed Fox's pretense, he could not just stand by and do nothing. Thus, he flapped his wings and flew over, throwing a huge fireball at the wolf pack.

The Flaming Three-Tailed Fox King felt very conflicted when he saw Little Black Bird taking the initiative to help. However, he did not have the time to think too much in the face of a great enemy. He roused his spirit and threw himself into the battle.

The bird and the fox gradually began to cooperate. After an hour, they had killed seven of the Fire-Breathing Ash Wolves.

However, the two of them were a little exhausted. Moreover, Little Black Bird could not fly too low. Those Fire-Breathing Ash Wolves could leap thirty feet high. If he were not careful, they might swallow Little Black Bird whole.

"Miss Jiu, I'm afraid they won't be able to hold on any longer. Aren't you going to make your move?" An Feng asked Yun Chujiu, who was calm and composed when he saw that Little Black Bird and the Flaming Three-Tailed Fox King were at a disadvantage.

"What's the hurry?! Isn't there another one hiding in the cave?" Yun Chujiu pointed at Little Black Rat, who was poking its head out of the cave.

"Miss Jiu, are you kidding me?! What else can that Stone-Eating Rat do besides gnawing on ore? Its combat strength is almost negligible, right?!" An Feng asked amusingly.

"I used to think so too, but I think this little thing must be hiding a lot of things from me. Let's see. I have a heaven-grade blood coagulation pill here. It doesn't matter even if Little Red is injured," Yun Chujiu said with a smile.

An Feng lit a candle in his heart for the Flaming Three-Tailed Fox King. Little Red, who asked you to treat your master this way? This is karma!

Little Black Bird saw that the Flaming Three-Tailed Fox King was about to give up, so he was a little anxious. Therefore, he took the risk of flying lower to increase the accuracy of the fireballs. In a moment of carelessness, he was bitten by a Fire-Breathing Ash Wolf and fell to the ground!

Just as Yun Chujiu was about to help, she saw a black shadow jump in front of Little Black Bird. It was Little Black Rat.

The Fire-Breathing Ash Wolf that bit Little Black Bird was about to swallow him when it saw Little Black Rat suddenly appear in front of it. Its eyes were filled with disdain, but having more food was a good thing, hence, it opened its bloody mouth and bit Little Black Rat.

Yun Chujiu raised her right hand and was about to kill the Fire-Breathing Ash Wolf, but Little Black Rat's next move stunned her!
