

The Yun Family's Ninth Child is an Imp! Chapter 686

Yun Chujiu saw that after Little Black Rat jumped up, it stretched out its front paw and attacked the Fire-Breathing Ash Wolf.

Yun Chujiu could not bear to look. 'Your little paw hitting the Fire-Breathing Ash Wolf would probably feel like a tickle. I thought you had some special ability! It turned out that it only tried to physically attack the wolf!'

Yun Chujiu was afraid that it would be at a disadvantage, so she wanted to help, but what happened next surprised her.

The Fire-Breathing Ash Wolf was sent flying more than a hundred feet by Little Black Rat's slap, and it fainted with a choking sound.

Yun Chujiu's eyes were wide open. My goodness, how could such a small rat have so much strength?

Yun Chujiu threw a heaven-grade blood coagulation pill to Little Black Bird, and then said to Little Black Rat, who seemed to glow now, "Mickey Mouse, you did well. Keep working hard. I'll reward you with a piece of Hazy Ore in a while."

Little Black Rat saw Little Black Bird fly up again, squeaked a few times, and rushed toward the Fire-Breathing Ash Wolf pack.

An hour later, after the concerted efforts of the Three Silly Munchkins, the Fire-Breathing Ash Wolf pack was annihilated. They did not understand what had happened until they died. 'How did three low-level spiritual beasts beat so many of us? It was simply a death that was too embarrassing to accept!'

The Flaming Three-Tailed Fox King listlessly followed behind Little Black Bird and Little Black Rat. It felt ashamed at its arrogance earlier. These two were like wolves in sheep's clothing. Both of them were stronger than me. Wuwu, this king was too ashamed.

Yun Chujiu was suddenly interested in Little Black Rat. "Mickey Mouse, you're really good at hiding things. You have such great strength, but you did not tell your master about it. It makes master sad."

Little Black Rat said softly, "Master, I only awakened my innate ability a few days ago after I advanced. Moreover, my ancestors told me that girls can not be too cruel. Otherwise, they will not be able to marry."

Yun Chujiu...

"Little Sister Mickey Mouse, you don't have to worry. Big Brother thinks that you were simply beautiful just now! There will be many beasts that will like a girl like you." Little Black Bird blinked his pea-sized eyes and said.

"Cough cough! This king feels that a girl like you is the true beauty amongst beasts. If there is no beast to marry you, this king will marry you!" The Flaming Three-Tailed Fox King casually said to express his gratitude.

Little Black Bird immediately exploded. "F*ck, this is the sweetheart that I won over myself. Now you're trying to steal her away! I'll fight it out with you!"

The Flaming Three-Tailed Fox King was shocked by Little Black Bird's sudden brutality!

'What was going on? Weren't they fighting side by side just now? Why did they suddenly turn against each other? What did I do wrong?'

Yun Chujiu was about to cry from the stupidity of the Flaming Three-Tailed Fox King. There was no one else who could as stupid as this fox. Speaking of which, how did it become the Fox King in the first place? Could it be that this intelligence was the smartest among the group?

Yun Chujiu could not be bothered with those three clowns. She put away the Fire-Breathing Ash Wolve's corpses on the ground and continued to walk forward.

An Feng felt a wave of envy in his heart. Tsk tsk, look at Ninth Miss. It was one thing if she had a heavenly thunder spirit root, but she actually had three such awesome spirit pets. Although they were not particularly strong now but in time, those Three Silly Munchkins would become real monsters!

"Senior Brother Helian, that Two-tailed Scarlet Flame Fox's fur is too beautiful. Go and catch it for me. I want to use its fur to make a cloak."

"Junior Sister Lianxin, just you wait. Senior Brother will help you catch that little bastard right now!"

Yun Chujiu felt thunder rolling in the sky. 'Were there really such stupid people in this world? He wanted to catch someone else's spirit pet in front of the owner? They had it coming for them!'
