

The Yun Family's Ninth Child is an Imp! Chapter 69

The little black bird's green eyes lit up. "What way?"

"I'm a soft-hearted person. Originally, I didn't want to care about you, but since we're so fated, I'll reluctantly accept you! If you acknowledge me as your master, I'll think of a way to bring you out." Yun Chujiu looked disgusted.

The little black bird almost fainted from anger. It pointed at Yun Chujiu with its trembling little wings. "You, you are taking advantage of the situation! You are adding insult to injury!"

"Aiyu, you're quite talented! You even know idioms! Let me tell you, little weakling, it's your best choice to acknowledge me as your master. You've seen it for yourself, I have a rare Thunder Spirit Root. Sooner or later, I'll amaze the world with a single brilliant feat, and I'm the most protective of all. I won't let anyone bully you." Yun Chujiu guided patiently, like a big bad wolf trying to abduct Little Red Riding Hood.

The little black bird was unmoved and said with disdain, "You're so weak. If I acknowledge you as my master, those people will kill you too."

Yun Chujiu shook her finger. "Wrong! Wrong! Wrong! Although my spirit energy is very weak, my spirit energy here is very strong."

Yun Chujiu pointed at her little head. "I have unparalleled wisdom, and others think that I don't have any spiritual power. How can a piece of trash without spiritual power make the Nine-Colored Immortal Vermillion recognize me as its master?"

The little black bird rolled its eyes. "I can sign a contract with you, but we can't sign a main pet contract. I want to sign an equal contract!"

"Sure! I didn't want you to die with me. Hurry up! Those people will be back soon." Yun Chujiu urged.

Although the little black bird was unwilling, there was no good solution at this time, so it could only wave its two small wings and start to form seals, then pecked Yun Chujiu's index finger.

A simple and complicated pattern appeared in the sky, then it hid between Yun Chujiu's eyebrows.

Yun Chujiu was so angry that she stomped her feet: "Are you stupid?! You made such a big commotion, how can I protect you?"

The little black bird raised its neck. "You didn't say anything! Aren't you smart? Quickly think of something!"

"Idiot! Quickly hide your immortal beast aura!" Yun Chujiu glared fiercely at the little black bird.

The little black bird harrumphed coldly and hid its aura.

Yun Chujiu rolled on the ground, then grabbed a handful of scorched earth and smeared it on her face, and messed up her hair.

"Hahaha! Crazy b*tch! You look even uglier now!" The little black bird laughed until it was shaking.

Yun Chujiu grabbed the little black bird's neck, picked up a handful of scorched earth, and wiped the little black bird's body.

The little black bird was almost strangled to death. With one wing on its waist and one wing pointing at Yun Chujiu, it started to curse.

Yun Chujiu couldn't be bothered with it. She looked at the eggshell on the ground, rolled her eyes, and had an idea!!

She found a piece of charred wood that had been struck by lightning and stuffed it into the eggshell, then tossed it back into the pit.

"Ah! My reserves!" The little black bird cried out in pain.

"Shut up! If you continue to cause trouble, you will be the one who becomes a reserve grain!" Yun Chujiu glared fiercely at the little black bird.

The little black bird immediately shrunk its neck. This little black girl was quite scary when she was serious.

"Later, I'll hide you inside my clothes. You better be smart and act according to the situation, do you hear me?"

The little black bird also knew that the situation was urgent and muttered, "I know, this young master is smart! Quick! Quick! Someone is coming."

Yun Chujiu quickly stuffed the little black bird into her clothes, and then found a place that was not too badly hit, lying on the ground like a little turtle and pretending to be dead.
