

The Yun Family's Ninth Child is an Imp! Chapter 712

Liu Qian stared at Yun Chujiu, not wanting to miss the slightest change in her expression.

Yun Chujiu sneered, "Sect leader Liu, aren't your conditions too unfair? Split equally? There are only two of us, but there are twenty of you! Without you, we could still find the treasure. Why would we cooperate with you and lose out?"

Zhang Biao heard Yun Chujiu's words and was instantly enraged. "You Little Brat, don't look a gift horse in the mouth! Don't push your luck, I WILL kill you!"

Liu Qian snorted in displeasure. "Zhang Biao, don't be rude! Young hero Shi, in that case, how should we distribute the treasure if we find it?"

Liu Qian was not sure if Yun Chujiu had the map, but when he heard Yun Chujiu say that she had the confidence, his heart beat faster. Could it be that he really had the map? Where did he get his map from? Could it be that the person gave it to him? No, he had to trick him.

Yun Chujiu blinked her eyes. "Of course it's 50-50. The treasure is split into two, and our two families will split it in half. If you agree to that, we'll work together. If you don't, then we'll find it ourselves."

The Goshawk sect people sneered. They felt that this kid was really arrogant. What right did he have to split it equally with them? It was a fool's dream.

Unexpectedly, Liu Qian smiled and said, "If that's the case, I'll agree with young hero Shi. After young hero Shi has rested enough, we'll go together. How about it?"

Yun Chujiu said with a smile, "Sect leader Liu is indeed a straightforward person. I've rested enough. Let's hurry up and set out!"

Liu Qian nodded and glanced at the people from the Goshawk Sect, indicating that they should not act rashly.

An Feng thought to himself that he would never be able to match up to Miss Jiu's ability to make up lies in his next life. This made it sound like she was really there to look for treasures. However, weren't you afraid that you would be exposed if you went with these people?

An Feng's worries were unnecessary because Yun Chujiu, this habitual liar, was capable of making any lie seem like the truth.

"Sect leader Liu, if I knew that we had the same goal, I would have persuaded you to come with us when we first met. You guys took such a long detour, it's such a waste of energy." Yun Chujiu said with a seemingly heartless smile.

"Yes, but it's not too late now. If we work together, we will definitely be able to find the treasure. I wonder if young hero Shi's map could be borrowed from Liu Qian?" Liu Qian said with a smile, but his eyes were fixed on Yun Chujiu.

An Feng's heart tightened. This time, it was most likely going to be exposed!

Unexpectedly, Yun Chujiu spread her hands. "To tell you the truth, I destroyed the map after I memorized it. It's safer this way. Lend me your map. I'll show you where it's different."

Liu Qian hesitated for a moment, but he thought that since the two of them could not escape from his grasp, it would not hurt to let him take a look. Perhaps he might find something new.

Liu Qian handed the sheepskin map to Yun Chujiu.

Yun Chujiu took it and looked at it carefully, then, she showed a shocked and angry expression. “God! Our map is the same! I spent a lot of money to get the map back then, and the person who sold it to me told me that it was the only copy. I didn’t expect that I would fall for it!”

An Feng did not show it on his face, but the admiration in his heart for Yun Chujiu was like a torrential river. Miss Jiu had a photographic memory. Although she had only looked at the map for a short while, she must have already memorized it. This was the definition of getting something for nothing!
